

A MAN'S LIFE SAVED

I WOULD not be doing justice to the afflicted if I withheld a statement of my experience with Jaundice, and how I was completely cured by using **Northrop & Lyman's Vegetable Discovery**. No one can tell what I suffered for nine weeks, one-third of which I was confined to my bed, with the best medical skill I could obtain in the city trying to remove my affliction, but without even giving me temporary relief. My body was so sore that it was painful for me to walk. I could not bear my clothes tight around me, my bowels only operated when taking purgative medicines, my appetite was gone, nothing would remain on my stomach, and my eyes and body were as yellow as a guinea. When I ventured on the street I was stared at or turned from with a repulsive feeling by the passer-by. The doctors said there was no cure for me. I made up my mind to die, as LIFE HAD LOST ALL ITS CHARMS. One day a friend called to see me and advised me to try Northrop & Lyman's Vegetable Discovery. I thought if the doctors could not cure me, what is the use of trying the Discovery, but after deliberating for a time I concluded to give it a trial, so I procured a bottle and commenced taking it three times a day. JUDGMENT OF MY SURPRISE at the expiration of the third day to find my appetite returning. Despair gave place to Hope, and I persevered in following the directions and taking Hot Baths two or three times a week until I had used the fifth bottle. I then had no further need for

the medicine that had SAVED MY LIFE—that had restored me to health—as I was radically cured. The natural color had replaced the dingy yellow, I could eat three meals a day, in fact the trouble was to get

enough to eat. When I commenced taking the Discovery my weight was only 132½ lbs, when I finished the fifth bottle it was 172½ lbs, or an increase of about half a pound per day, and I never felt better in my life. No one can tell how thankful I am for what this wonderful medicine has done for me. It has rooted

out of my system every vestige of the worst type of Jaundice, and I don't believe there is a case of Jaundice, Liver Complaint or Dyspepsia that it will not cure.

WHAT IS IT?

This celebrated medicine is a compound extracted from the richest medicinal barks, roots and herbs. It is the production of many years' study, research and investigation. It possesses properties purely vegetable, chemically and scientifically combined. It is **Nature's Remedy**. It is perfectly harmless and free from any bad effect upon the system. It is nourishing and strengthening; it acts directly upon the blood, and every part throughout the entire body. It quiets the nervous system; it gives you good, sweet sleep at night. It is a great panacea for our aged fathers and mothers, for it gives them strength, quiets their nerves, and gives them Nature's sweet sleep, as has been proved by many an aged person. It is the **Great Blood Purifier**. It is a soothing remedy for our children. It relieves and cures all diseases of the blood. Give it a fair trial for your complaint, and then you will say to your friends, neighbors and acquaintances: "Try it; it has cured me."

Pelee Island Wine Co.

Pelee Island is situated in Lake Erie, and is the most southern point of Canada, except a small island of forty acres, which lies two miles farther south. Pelee Island contains ten thousand acres, and its fine mild climate produces perfectly ripened grapes, from which very fine wines are manufactured. The first vineyard was started on Pelee Island in 1866, and, with this the well-known wine firm, J. S. Hamilton & Co., of Brantford, have been connected for eighteen years. The vineyards of the Pelee Island have steadily increased, and in 1887 the Pelee Island Wine Company was chartered. They erected a fine three storey stone wine house on Pelee Island, which, with its two towers, makes a fine appearance from the lake. Capt. J. S. Hamilton was elected president of the company, a position which he still holds, and J. S. Hamilton & Co., of Brantford, were appointed sole agents for the sale of their wines. The wines of the company comprise Dry and Sweet Catawba, Isabella, P. I. Claret, Delaware, P. I. Port, P. I. Alecante, and the celebrated Communion and Invaide wine "St. Augustine." This brand to prevent fraud has been registered at Ottawa, and infringements will be prosecuted. Only matured and pure wines are shipped. Catalogues on application to
