

2. In accordance with the provisions of Article XVI, paragraph 2, of the Convention, inclusion of these species in Appendix III shall take effect 90 days after the date of this Notification, i.e. on 22 December 2011.
3. When revising the CITES Appendices to include the species listed above, the Secretariat will take the opportunity to make two further amendments:
 - a) in the French version only, the annotation to the species *Lodoicea maldivica* in Appendix III will be corrected to read:
^{#13} *L'amande (Ogalement appelé "endosperme", "pulpe" ou "coprah"), ainsi que tout produit qui en est d'origine.*
 - b) a footnote will be added to the generic listing of *Agalychnis* spp. in Appendix II to indicate the names of the five species covered by this listing.
4. The revised edition of the CITES Appendices will be placed on the CITES website before it enters into effect
