2. Proposed amendment of Mr. Coldwell to the motion for Mr. Speaker to leave the Chair for House to go into Committee on Resolution to provide \$1,300,000,000 for National Defence and Security; ruled out of order on the ground that the question before the House was a motion that he leave the Chair and that, at this stage, it was not permissible to amend the terms of the proposed Resolution, 126.
3. Interpretation of Standing Order 41—Tabling of private letters, etc., by Private Members from which quotations have been made during speeches, etc., 171.
4. Sub-amendment of Mr. Quelch on third reading of Bill No. 19, An Act for granting to His Majesty aid for National Defence and Security, ruled out of order on the ground that the bill was a loan bill which was adopted in principal on the second reading, while the amendment to the amendment made it partly a loan measure and partly a taxation measure, 215.
5. Amendment of Mr. Senn to motion for Supply: Ruling that withdrawal of the amendment would not prevent Mr. Senn from moving it again at a later date, 260.
6. Proposed motion of Mr. MacInnis to adjourn House under Standing Order 31; ruled out of order on the ground that the question of urgency did not arise, 270.
7. Proposed amendment of Mr. Douglas (Weyburn) in Committee of the Whole during consideration of Excise Tax on gasoline, ruled out of order by the Chairman on the ground that it increased the proposed tax and was not moved by a Minister of the Crown, 383. Ruling of the Chairman confirmed (yeas, 112; nays, 48), 383.
8. Proposed motion of Mr. MacInnis to adjourn House under Standing Order 31; ruled out of order on the ground that it did not deal with a matter of urgency, 623.
