Will be 64.

J.H.J. next.

Thanks you very much for your kind and sympathetic letter of the 11<sup>th</sup> October last. I have heard of the safe arrival in London of my daughter and grand-daughter. The Rev: D. Mr. Stevenson Jaffray. B.M.G. C.B.E. D.D. K.H.C. Deputy Chaplain-General. (Senior Presbyterian Chaplain to the Forces) and M<sup>r</sup>. Jaffray, very kindly met them and took them to their house in Bedford Park. where they were at the time Elsie wrote to me. M<sup>r</sup>. Jaffray is the daughter of my oldest military pal, Major James Law. Retired R.E. now of Torphins, Aberdeenshire - Sheila will be by now at a School in Gloucester and Elsie will temporarily stay with an Aunt of her husband at Bath. We are leaving the matter as to where we are to come to an anchor with Elsie to settle. Personally any place will suit me. I would prefer where I can see the King's uniform and hear a band - Southsea would answer the purpose.
