

THE TRUSTEES AND EXECUTORS
OF THE
ESTATE OF THE LATE JENNIE G. H. EDDY

HULL, CANADA, December 11th - 1925

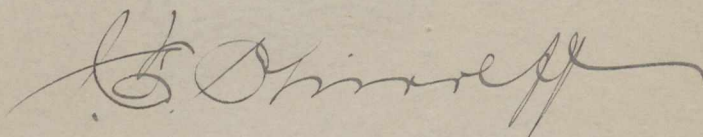

Sir Arthur W. Currie, G.C.M.G., K.C.B.,
Principal, McGill University,
Montreal, Que.

Dear Sir Arthur,-

Your favor of the 4th instant was
duly received and the contents carefully noted in
regard to the appointment of Dr. Hibbert in connection
with the establishment of a Chair of Industrial and
Cellulose Chemistry in McGill University.

There is not much to be said in
this connection at the present time, but upon Mr. Bennett's
return from England towards the latter part of this
month or early as possible after the beginning of the
New Year, we hope to go into the whole matter fully.

Yours very truly,

JTS:EM.
