My dear Mr. Lindsay,

I am informed by the Bursar of your second payment of \$500.00 towards the work in the Cancer Clinic, and may I say again how very grateful we are for your generous support of this most worthy cause. During the past year 92 cases of cancer were treated with Radium, 189 treatments being given. I am asking Dr. Martin to send you a short report on the work accomplished to date under the direction of Doctors Gruner and McEuen.

With all kind regards,

I am,

Ever yours faithfully,

Principal
