Royals Were Helpless Before the Big Fellow and the Leafs Scored a Shut Out-Only Three Hits.

MONTRBAL, July 22.—(Special.)—Superior pitching plus superior hitting enabled Joe Kelley's Leafs to take the final game of the three clash series with the Royals this afternoon and leave town with a lone victory tucked under their belts. The Leafs won this afternoon by a score of 3 to 0, the local hitsmiths being at the mercy of Pitcher Johnson thruout. There were really but two clean hits off his delivery, the sirgle credited to Purtell in the third inning being so decidedly scratchy that Fisher might have been credited with an error without injustice. The Royals failed to get a real hit off the former White Sox until the eighth when Flynn slashed a long drive to right field. Manager Howley was the only other Montreal player able to fathom Johnson's delivery. He nicked a two-sack slam in the final inning.

Some Pitching.

Johnson was wild, passing five men and hitting one, but with men on bases he was absolutely unhittable. Men got on bases in every inning except the first, but only one got as far as third during the entire game, and on only three occasions were two men on at a time. Del Mason, too, pitched fine ball. After the first until the fifth, two hits and an error accounting for a tally in the seventh, and he allowed one other hit, O'Hara doubling in the ninth for the only extra base hit the Leafs secured. It was a light hitting day for both teams.

One on Our Joe.

Joe Kelley, as the result of a practical joke by a Toronto friend, was not in uniform. He was notified by telephone at noon that one of his players was in the hands of the police at the Welland Hotel, and rushing there, he found a delegation of Toronto police athletes here to attend the annual police games.

The Leafs took a strangle hold on the game in the opening inning. Wilson opened it with a single to left, and when the ball got away from Kippert, he raced to third. Fitz lined a smash to left also, scoring Wilson, and came home himself on Pick's long drive to centre. Fisher filed up to Flynn. Big Tim Jordan took a healthy swing and drove Kippert away down into left centre after his drive. Kippert had a hard run, and fell after getting the ball, so that Pick was able to score from second.

Mason sent the Leafs back to the bench in one, two, three order in the second, third, fourth and fifth.

The Royals got a chance to break into the scoring list in the fifth when after two were out, Johnson passed Deininger and booted Purtell's grounder. He tightened up, however, and fanned Kippert. Boyle got a walk to start the seventh, but Howley, Mason and Deininger could not hit the ball out of the infield, and not a man got past first. Two men were on again in the eighth. Kippert drawing a walk with one out, and Flynn cracking out a single after Whiteman had flied up to Fitzpatrick. Prieste handled the ball poorly and let Kippert to third, but Johnson rose to the occasion and fanned Holstein. After Howley had doubled with one out in the ninth, McGraynor batted for Mason, but rolled to Pick and Deininger gave Fitz a soft grounder.
