Parcel Post Privilege is Little Appreciated by Public.

THE RURAL DELIVERY

Eleven Hundred Small Offices in Ontario Have Been Abolished.

At the annual meeting of the Ontario Postmasters' Convention, which was held yesterday at 156 West Front street, the following officers were elected for the ensuing year.

In his report on the postmasters' patriotic fund Mr. Proctor suggested that all postmasters volunteering for overseas service should be insured for \$1000 each.

Speaking in connection with the work of the association during the past year Mr. Proctor said that the parcel post system had been a great boon to the public.

In urging the postmasters to impress on the public the need of buying war stamps he said it becomes our duty as a loyal and prosperous people to accept the impost in a cheerful and liberal spirit.
