In the neighborhood of 1,500 claims were staked in the Klondike and entered at Dawson during the month of April. This is shown by the records in the gold commissioner's office. The various claims entered alone number 788 and about as many relocations were made. The greatest number of original locations made were perhaps on Montany creek. It is said that the stamperders there struck 40 cents on the snow, \$1.50 in the moss, \$4 in the muck, and \$20 on bedrock, and expect \$75 on the second paystreak. The fees for the locations and re-locations at the Dawson office last month amounted to the sum of \$22,500.

An Effervescent Tonic

Such is a fair description of our

Refined Ale

"Which Sparkles like Champagne."

Both for women who require building up after illness, or for men to keep up their strength, a good, matured, sparkling ale like this is a grand "tonic."
