

View of Section of Lake Windermere

Such a place, such an opportunity is afforded by fruit and market gardening in land offered by Columbia Valley Orchards Limited.

You owe it to yourself to read the following pages to see if this may not be your opportunity to secure the conditions of life calculated to make you most prosperous, contented and consequently happy.

Columbia Valley Orchards Limited lands are situated in the Columbia River Valley of British Columbia, commencing at a point about fifty-eight miles south of Golden on the main line of the Canadian Pacific Railway.

A good automobile road runs from Golden to Fort Steele through the property referred to.

Further transportation for passengers, freight, etc., is furnished by three passenger and one freight steamboats running on the river which make a landing on the property.

At present the Kootenay Central (C.P.R.) is building a line through the Valley from Golden to Fort Steele and on to
