## MAD HATTER WINS BY EIGHT LENGTHS

Sway Second and Stockwell Third in Rich Feature at Latonia.

Cincinnati, Oct. 11.—Mad Hatter, owned by S. C. Hildreth, and ridden by Jockey L. Fator, won the \$40,000 Latonia Championship Stakes, at a mile and three-quarters, here today, by eight lengths, on a track that was a sea of mud. Sway, ridden by Jockey C. Vandusen, finished second, one and one-half lengths ahead of Stockwell, who ran third. The time was 2:35.3, which was rather slow for the distance, but this was due to the miserable track conditions.

Seven horses started, each carrying 122 pounds. The value to the winner is \$44,090.

Mad Hatter, the eastern representative in the race, took the lead when the horses passed the mile and a half post, and was no danger of losing his advantage thereafter.

At the three-quarter-mile post John O. was in the lead by five lengths; Chaser second by a half-length, and War Spirit third by two lengths. They were followed by Mad Hatter, Stockwell, Linden and Sway in the order named. At the mile and half John O. was still leading by a length. Sway was second by a head, and Mad Hatter third by a half-length, with War Spirit, Stockwell, Linden and Chaser bringing up the rear.

## THE AUTHORITY OF LAW

## Repeal of Ontario Temperance Act Does Not Necessarily Mean a Return to the Old License System

THE Citizens' Liberty League contend that the unsatisfactory Ontario Temperance Act must be repealed and new legislation enacted. Further, they declare that the repeal of The Ontario Temperance Act does not necessarily mean the return of the Old License System.

The Referendum Committee contend differently. To settle the matter once and for all, the Citizens' Liberty League herewith submits a signed statement by I. F. Hellmuth, K.C., of the law firm of Hellmuth, Cattanaach & Meredith, Toronto, and by D.L. McCarthy, K.C., Toronto, son of the late Dalton McCarthy, and member of the legal firm of McCarthy & McCarthy, Toronto. Mr. Hellmuth and Mr. McCarthy are two of the outstanding King's Counsel of Ontario.

"Our opinion is asked as to whether a majority vote of 'YES' to question One of the Referendum, necessarily repeals the Ontario Temperance Act now in force and at the same time brings into effect the Liquor License Act which was in force prior to the passing of the Ontario Temperance Act, and our answer is unhesitatingly No.

"It is true that in case of such affirmative answer, the Lieutenant-Governor in Council can, by proclamation, bring into effect the prior Liquor License Act, but until this is done the present Ontario Temperance Act continues in force. It is not obligatory on the Lieutenant-Governor in Council to issue any such proclamation within any fixed or definite time, and there is no reason to suppose any action in this respect will be taken until after the meeting of the Legislature.

"Notwithstanding, therefore, an affirmative majority vote to question One of the Referendum, the prior Liquor License Act will not

necessarily be in force when the Legislature meets, and the Legislature can, at the next session, pass such legislation as it deems proper in regard to the whole question. It can bring into effect any Act that the majority of the members of the Legislature approve of, irrespective of any laws in force up to that time.

"There is nothing in the Constitution as laid down by the British North America Act which prevents the Legislature from validly enacting a law which would be a compromise between the Liquor License Act and the present Ontario Temperance Act and any such Act being entirely within the competence of the Legislature would, when passed, supersede any prior laws."

*I. F. Hellmuth*  
*D. L. McCarthy*
