

The longer an intermittent remains, the more difficult it is to cure.

Another cure of an Ovarian Tumor.

MOTOR, ROOKS CO., KAN., July 29th, 1879.

DR. RADWAY: Although it might seem out of date, yet, for the encouragement of others in similar circumstances to what I have been, I think it right for me to return my heartfelt thanks for the benefit I have received from the use of the Radway medicine.

I had been afflicted over six years with Tumor in the stomach; had been to six of the best doctors I could hear of in Iowa; they all told the same thing, and that it was out of the reach of medicine, and that it would kill. At length I happened to see in your Almanac of Tumors being cured. I immediately resolved to try it, which, to my great surprise, effected a cure with only using three bottles of the Resolvent, one of relief, and continuing on quite a while with the Pills. I was so enlarged in my stomach, that I was four feet and two inches round; now I measure two and a half feet round. I will say, also, that before using the medicine I had not laid down in six months. Now, if this sketch will be of any benefit to suffering humanity, I am willing to have it published, etc.

Yours with respect,
M. HOCKETT.

When afflicted, I lived at Salem, Henry Co., Iowa.

Tumors Cured.

ST. LOUIS, MO., August 3d, 1877.

DR. RADWAY—Dear Sir: I have taken your Resolvent and Regulating Pills six months. It has produced a perfect cure of tumors, as the doctors of this city pronounce them. I have taken eight bottles of your Resolvent and Pills.

Yours very truly,
A. CAMERON, Sig.

A Lady cured of Fluor Albus and Neuralgia that had baffled Doctors.

DR. RADWAY—Dear Sir: I beg leave to address you, hoping you will kindly give me an answer to a question that is of great importance to me.

First, let me tell you that your medicines have been a blessing to me and mine; my wife has been cured of Fluor Albus, of FOUR YEARS' standing, by the use of your remedies, also of Neuralgia which has baffled all our doctors.

I spent nearly all of two years of my wages all to no purpose, and was persuaded to try your medicine, and, sir, it TOOK LESS than \$10 to cure her of both. The consequence is she will have no other medicine, and, so long as it does as well as it has in the past, I shall agree with her.

Yours respectfully,

TOMS BROOK, SHENANDOAH CO., VA. E. B. CABRIL.

[Received without date January 26th 1874.—R. & Co.]

CONSUMPTION AND A COMPLICATION OF OTHER DISEASES CURED.

[FIRST LETTER, JUNE 16, 1883.]

DR. RADWAY & CO.—Dear Sirs: My wife, who had been ailing for two years from Palpitation of the Heart, Bronchitis, Catarrh of the head, Fall of the Womb, Liver Complaint, etc., was taken down the first of March with Lung Fever; when the fever broke, her physician told me that she was going into Consumption, and that I might make up my mind to part with her by the first of June, etc. When the doctor left I told my wife of the wonderful cures your medicines had done; tried them; she improved from the first dose, and she is now better, and is improving every day, but her left lung is a little sore at the bottom, etc.

[SECOND LETTER, SEPTEMBER 10, 1883.]

I take pleasure in thanking you for your noble and valuable medicines which have cured my wife of the horrible disease, Consumption, etc.

[THIRD LETTER, OCTOBER 6, 1883.]

As to publishing the letters, or any part of them, etc., it is perfectly agreeable to me for you to use all the information I can possibly give to the SICK and AFFLICTED. My wife is, to-day, enjoying better health than she has for the last five years. She was afflicted with Liver Complaint, Fall of the Womb, Palpitation of the Heart, Bronchitis, Catarrh of the Head, Kidney Diseases, Rheumatism and Consumption, when she began taking your valuable medicines.

I have been poorly myself for years, and since my wife's health has recovered, I have taken your medicines and, to-day, I feel as I did when 25 years old and as lively as a boy. The country around is full of contagious diseases and we have NONE OF THEM. I give a few Pills and Resolvent occasionally to my children, and they never take or catch disease; so you see why I think so much of your medicines, and why I am so thankful to you.

Respectfully, as ever, your friend,

SCIO, OREGON.

S. W. GAINES.

That air is worse to a sick person which was the cause of his sickness.

If in lock-jaw & convulsive fever sets in, the disease goes on.

Anatomical knowledge is indispensable to a right understanding of disease.
