Liquidator Henderson's Accounts.

The examination into the accounts of E. J. Henderson, the missing liquidator of the Army and Navy Clothing Company, was taken up yesterday before the Mas.erin.Ordinary. The Employers' Liability Company, who bonded Henderson for \$15,000, refuse to pay a sum of \$10,100 claimed from them by the Provincial Trusts Company, the present liquidators. Thy claim that Henderson did not observe the conditions imposed upon him. Some five thousand dollars of the amount claimed is for money belonging to the estate, which Henderson transferred to his own personal account at the Standard Bank. In the discussion yesterday morning it was stated that the liquidator's cheques were not countersigned. The Master, Mr. Hodgins, stater that he had not provided for their being countersigned, because it involved so much extra work, when other matters were pressing on himself and his taff for judicial attention.

FAST RIDE ON A CAR STEP.

the vestibule train on the Big Four was pulling out, and being anxious to reach New York last night she grabbed the hand rail of one of the coaches and was assisted by a friend to mount the step. By this time the train was moving rapidity and when she tried the door of the vestibule she found that it was locked against her. The rain was falling in torrents and she beat upon the door to attract attention, but the noise of the train drowned her rappings on the door and ner nands soon became so numb with the cold that she was compelled to hold on with both to keep from falling off.

months of August, September and October
were 5.4, 4 and 8.9 degrees, respectively,
above the average. The rainfail during
these three months was about half an inch
lower than the average. The rainfail for
the six months, April to September, was
exactly the average of the past 20 years.
The Grain Crops a Good Average.
The grain crops for the year were in
quality and quantity, quite up to the average. The new fail wheat crop is up to
the standard. The Hessian fly has been
active over a wide district, while the "pea
bug" has multiplied and replenished the
earth to such an extent that it has given
rise to considerable alarm. Corn was one
of the best crops of the year. Tobacco,
beans and buckwheat were fair.

Mangel Wurtzels Extra Good.

Potatoes were good, mangel-wurtzels extra good, but turning on the district of the

side.

Fall fruit was above the average, the apple crop reaching nearly a record yield. Live stock is in excellent condition, and hogs have been sold in large quantities.

The Yields Per Acre.

Fall wheat yielded 21.9 bushels per acre, spring wheat 18.4, barley 29.3, oats 37.4 peas 21.2, beans 18.6, rye 16.6, buckwheat 18.3. potatoes 131, carrots 336, manger-wurtzeis 453, turnips 379, corn (in ear) 81.9, corn (green) 11.94, hay and clover 1.24.
