One feature of the camp which forces itself upon the stranger is the tiresome ful of his duties.

meeting in St. Andrew's Church to-night. The church was filled to the doors and the annual sermon was preached by the retiring moderator, Rev. Allan Pollock, of Hallfax. To-morrow the regular meetings of the Assembly begin and the annual reports of the different committees will be taken up. On the whole the church work reflects the prosperity which ansprevalled in the country for the past few years.

Dr. Pollock, in the course of his sermon, said the belief in Christ's divinity is entering upon an era of prosperity will be somewhore, and the belief in Christ's divinity is entering upon an era of prosperity will be given to individual arting. The convention was opened with a praise service. Scripture was read and prayer of the different committees will be given to individual arting. The convention was opened with a praise service.
