DISPUTE OVER THE USE OF THE CITY HYDRANTS

Magistrate Defers Judgment—Carnegie Library Plans Are Ready.

WEST TORONTO, July 22.—About 100 yards of trolley wire fell down on Dundas-street, just east of the car barn, about 1 o'clock this afternoon. A stub line for the benefit of West Toronto citizens was instituted during the two hours the wires were being reinstated.

City Treasurer Jackson is a busy man just now. To-day alone he received over \$8000 in taxes, and has already taken in upwards of \$15,000 of this year's taxes, although the bills have only been out for a few days.

Manager C. F. Wheatin of the Dodge Fulley Company appeared in police court this morning on a charge of breaking the hydrant, which forbids interference with the street fire hydrants. The company, it appears, has down 15 feet and the hydrant is being used for the purpose of watering the road in front of the factory.

Wheatin in defence said he had been given permission by Aid. Hain to use the hydrant, but now that he found it was illegal to do so, he promised that the offence would not occur again. In view of Mr. Wheatin's statement that he had been given permission by Aid. Hain, Police Magistrate Ellis deferred judgment in the case.

On the other hand, Mr. Wheatin emphatically denies that he ever gave such permission to the company. "That statement connecting me with the misdemeanor is absolutely untrue," said Mr. Hain to The World this evening. "I gave him no such permission, and even if I did, that doesn't alter the case. If breaking the bylaw just the same."

Shortly after 8 o'clock this morning fire broke out in the kitchen at the rear of Thomas Robb's butcher shop, corner of Rose-avenue and Louisa-street, York Township. The explosion of a coaloil stove caused the outbreak, which caused damage to the extent of \$100.

The plans for the new Carnegie library, which have been completed by the architect, Messrs. Ellis and Conroy, were sent to New York to-day for Mr. Carnegie's inspection and approval. The building will be 72 feet long, 30 feet wide, and will contain a stack room, reference library and two reading rooms, one for ladies and one for gentlemen. In the basement will be a lecture room, with a seating capacity of 500, and a smoking or recreation room. The building will be of red brick with stone trimmings.

NORTH TORONTO

Happy Event Took Place in the Town Yesterday.

NORTH TORONTO, July 22.—A pretty house wedding was solemnized this afternoon by Rev. Mr. McCausland, at the residence of the groom, West Eglington-avenue, when Miss Rosetta Elizabeth Parker, only daughter of Mr. and Mrs. William Parker, of Ex-Councillor Park, Toronto, was married to James Pears, Jr., eldest son of Mr. and Mrs. William Pears. The ceremony was performed in the parlor of the groom's residence. The bride wore a silver-striped dress, trimmed with princess lace and satin folds, wearing a veil with wreath of orange blossoms and carried a bouquet of roses and sweetpeas. Miss Sullivan of Boston was the bridesmaid, also carrying a bouquet of roses and sweetpeas, as did Miss Sarah Pears, sister of the groom, who was maid of honor. Little Miss Delphine, the groom's youngest sister, looked charming and made a handsome flower girl. Harry Parker, the bride's brother, was groomsmen. The groom's gifts were a pair of cufflinks, a watch, a ring, a bracelet and a pair of cufflinks. A reception was held after the ceremony and a wedding breakfast served. Mr. and Mrs. Pears left with the evening train for New York, where the honeymoon will be spent.

honey-moon will be spent. The presents were numerous. The Eglington Methodists were run off on the Toronto-Hamilton road last night. Town Clerk Douglas went up to Jackson's Point yesterday and attended the Conservative picnic at that place. Mrs. Douglas and family are visiting near Mount Albert.

ADJOURNED FOR A WEEK

Judge Morson Sends All Cases Over to a Later Date.

Judge Morson in chambers yesterday was prepared to try the case of the Metropolitan Railway against the City of Toronto, but prisoner does not seem to realize his position, and, on the advice of Assistant Crown Attorney Monahan, the plea of not guilty was entered. The trial will take place on Wednesday next.

YORK COUNTY CROPS

Prospects Generally Are Bright, But Weeks Later Inward.

If the crop conditions prevailing along the Metropolitan railway from Toronto to Lake Simcoe are any criterion, those generally prevailing in other parts of the county are equally good. The wheat crop is well advanced, and the corn and Newmarket, considerable quantities of wheat are being raised in a damaged condition. Wheat, a little which has been cut, is as good as the best that has been grown in this district in years, while peas make a phenomenal showing, and if no unforeseen blight or disease befalls, a bumper crop. Oats and barley are of moderate length, but the heads are well filled and the kernel of wheat which is fully matured, exceptionally large.

BROWN'S CORNERS

Local Football Team Will Hold High-Class Concert.

An open air concert will be given on the lawn of the "Pines," the residence of J. J. Weir, near Malvern, under the auspices of the Brown's Corners Club, a group of Toronto, Empingham, Brox, orchestra and other high-class artists will be in charge of the program, which commenced at 8.30.

DAVISVILLE

Company Make Good, But Ought to Appear in Court.

Residents of Davisville are complaining themselves that the recent arrangement made by the Metropolitan Railway in selling ten tickets for 25c, good to Deer Park, is a decidedly good deal for the company. The limits of the suburb meet and therefore the ticket is not to be good from the C.P.R. crossing to the southern limit of the town. The magnanimity of the railway is only to be commended that the conductors have not yet been apprised of the change and this may lead up to difficulties in the future. A ride for the full extent of the distance called for by the tickets, at the rate of only one mile, is not thought that the company is oversteering the bounds of prudence in bringing about the change.

COUNTY POLICE COURT

Magistrate Will Make Further Enquiries Into Case.

Before Magistrate Ramsden yesterday, the case of the Metropolitan Railway against the City of Toronto, was continued. The case was continued on the charge of horse stealing. The railway is charged with hiring a rig from a liveryman of the town and tried to dispose of it to A. Gordon, a resident of the town. The rig was returned to the liveryman, but never paid for. Magistrate Ramsden adjourned the case and remanded the prisoner for a week.

NORTH YORK OLD BOYS

Newmarket Men Will Bring Down Band to Help Enthusiasm.

On Tuesday evening, July 22, a big delegation of North Yorkers interested in the coming Toronto-North York Old Boys' anniversary, to be held in Newmarket on Oct. 1, will be held in the old county hall at Adelaide-street. The object of the meeting is to arouse the enthusiasm of Toronto men, formerly of North York. The Newmarket Band will accompany the crowd on Tuesday evening. Warden Keith will take the chair at 8.15.

Exhibition Notes

Great interest is being manifested in the industrial exhibition this year from points all over the States of New York and Pennsylvania, and many excursions will be run over while the fair is in operation. The authorities received word from East Bloomsfield, N.Y., yesterday, that an excursion is coming from that place during the second week of the fair, probably on Americans' day.

Dollars Go a Long Way Here To-Morrow

Dollars earned by hard work should be carefully spent—the man who earns them has a right to expect as much. It would be interesting if one of these earners could come to this store to-morrow with his wife and see how much we are now cramming into a dollar's worth. He would be surprised. He would return to work with a new conception of what his labor was worth to his family.

Do you realize why this is so? Why dollars will go such a long way here to-morrow? Here's the reason in a sentence: On account of big changes in the near future the most rigorous stock-taking this store has ever experienced is now in progress and this is bringing before the buying public of Toronto values that will not be matched this year.
