How to keep mutton fresh for any length of time. Don't kill the sheep.

ONE half of the world doesn't know how the other half lives. It is just as well. It saves a great deal of gossip.

THE man who is always wishing he were dead is sure to be the first to rush for the door of a theatre at the cry of fire.

A COUNTRY girl coming from the field was told by her cousin that she looked as fresh as a daisy kissed by the dew. "No, indeed," was the simple reply, "that wasn't his name."

SCIENCE says that it took two millions of years to evolve a man from the oyster. Observation, Josh Billings says, shows that it takes less than a minute to transfer the oyster to a man.

LIFE is short, only four letters in it. Three-quarters of it is a "lie" and half of it an "if."

SLOTH makes all things difficult; industry makes things easy. He that riseth late must trot all day, and shall scarce overtake his business at night.

JONES—"I hear that the handsome young tenor of your choir is to marry the charming soprano. Sing-ular, is it not?"

SMITH—"Yes; each struck a chord in the other's heart, it did not take long to register their vows, and it will be a note-able wedding. They will spend their honeymoon on the high Cs."

"Very romantic affair, no doubt."

"Well, no, except that they met by chants."
