Night

The great sale of "White Beauty" Hoosier Cabinets will end Saturday night. Most likely you will see these cabinets in the homes of some of your nearest and dearest friends. Why wait until then and regret that you missed the opportunity that is offered to you as freely as to them?

Saturday, Pay Only \$1.00—Try the "White Beauty" in Your Own Kitchen.

The Hoosier Club Plan of payment has proved amazingly popular with the foremost women in this community. Some of them tell us it is the same way that they have bought fine editions of rare books, yet it costs you nothing extra to enroll in the Hoosier Club, if you come in tomorrow. No interest or extra fees.

THE HOOSIER CLUB PLAN
1. \$1.00 down puts this Hoosier in your home.
2. \$1.00 weekly quickly pays for it.
3. The low cash price fixed by the factory prevails absolutely.
4. No interest or extra fees.
5. No collectors going to your door.

EXCLUSIVE FEATURES
See the wonderful shaker flour sifter, the Hoosier accounting system, the cook book holder, the food guide, the want list, the pencil holder, the money tray, the emergency shelf, and dozens of other labor-saving devices—seventeen of which are entirely new.

DECIDE NOW
Other women are making up their minds tonight to come tomorrow and select a Hoosier Cabinet while they can be had on such liberal terms.

A large number of exhibits of live-stock, produce and hand-work were on show at the Agricultural Fair at Moose-path yesterday afternoon. The fair was under the auspices of the St. John City and County Agricultural Society and a larger number of exhibits were made than last year.

A supper was held in St. James' hall, St. James street, last night by the congregation of St. Philip's church. The proceeds are to go towards Christmas boxes for the members of the church who are overseas.

John English came in on the Boston train from Fredericton last night and brought with him a good sized moose which he killed near Harvey Station. He says that moose are not too plentiful in that district.

Yesterday and last night Inspector Crawford seized seven packages of liquor at the Canadian Express office at Gold-brook, and at the store of J. McArn, near the Three Mile House.

Another excellent knitting record is that of Mrs. Alexander Fraser of City Road, eighty-six years old, who has knitted 350 pairs of socks for the soldiers. Last evening she was made a life member of the Knox Church Red Cross.

Wheat Biscuit is 100 per cent. whole wheat—nothing wasted, nothing thrown away. Fifteen years ago Shredded Wheat was eaten only as a breakfast cereal; now it is eaten for any meal as a substitute for meat, eggs, or potatoes. Two or three biscuits with milk or cream and some fresh fruits make a nourishing, satisfying meal at a cost of only a few cents. Made in Canada.

ANOTHER SEMI-READY SALE!

A sale of particular interest to the young men of this section will be held in the Semi-ready store, corner King and Germain streets, commencing tomorrow, October 6, when 200 suits and fall overcoats will be offered at startlingly low prices.

Only once in a hundred years would a sale be brought about by a condition such as forces this one, and that cause is compulsion. Many clothes will be reluctant to invest in a new suit or coat—and yet it may be months before that particular person would be needed.

To overcome this condition and yet serve its long list of young men customers, the Semi-ready people are making price reductions that will quickly dispose of the garments offered. Full details in this paper later. Watch for them.

About forty of the young friends of Miss Beulah Stephenson gave her a novelty shower at her home, 111 Orange street, last evening, in honor of an approaching event. A very pleasant evening was spent. Refreshments were served.
