that the world may be won for Christ.   Aid the great work of Christian Missions to the utmost of your power.

Our Conference has been favored with the presence of the Rev. Dr. Carman, the Senior Superintendent of our Church. To us it has been a great source of pleasure to enjoy the benefits of his counsel and aid in despatching the business of the Conference, and in listening to his addresses on our Connexional interests, and his able setting forth of Divine truth from the pulpits of our churches.   We believe that the visit of this honored servant of God and the Church to our Island, will result in much permanent good to us as ministers, and to you as members of the Church of Christ. We are led to praise God for the unity of our beloved Methodism in the Dominion of Canada and Newfoundland, and believe that there is a glorious future before the united Church.

Now, in conclusion, whilst addressing words of exhortation to you we do not forget our own great need of possessing every grace in our souls, and of exemplifying every virtue in our lives. Our high and holy calling entails tremendous responsibilities for whose fulfilment we feel ourselves to be of ourselves altogether insufficient.   Pray for us that we may be more fully endued with power from on high, that we may both feed and be examples to the flock of Christ.   Soon both ministers and those ministered unto will be called to give up their stewardship to God. Let us therefore be diligent that we may be found of Him in peace, without spot and blameless.   Then in the song of the glorified our voices will blend in praise "Unto him that loved us and washed us from our sins in His own blood, and hath made us kings and priests unto God and His Father, to Him be glory and dominion for ever and ever.   Amen.
