REAL ESTATE

The Street Cars Pass Park Avenue East St. John

and less than five minutes' walk will take you to choice, high, dry building lots, now selling for only \$75, payable \$5 down and \$5 a month.

Some of these lots are 120 feet deep, WITH LANE IN REAR, enabling you to build on the full width.

The beautiful location, proximity to street cars and McAvity's new plant, together with free water from artesian wells, have caused the largest number of sales ever made in the vicinity of St. John.

You won't miss \$75, but you will miss the chance of a lifetime if you don't buy now.

Ask the street car conductor to let you off at Fred E. Everett's store, East St. John, and arrange to see the lots for yourself, or phone appointment to Main 2237-25.
