Spring Overcoat Week

Beginning tomorrow we concentrate on Spring Overcoats for a week. We have no reason to complain of how they have sold so far this season but we want more men to get acquainted with their really excellent style, fit and tailoring.

They're 20th Century Brand and other well designed ready tailored makes attractively finished.

The Prices—well, you buy style, fit and service, not price, or you should do so. Anyway they're \$10 to \$17 less than exactly the same qualities sold for last year.

A number carried over from last year are bunched at \$20—mostly grey Chesterfields.

Others \$22.50 to \$55.
