(Toilet Tips).

Advocates of the electric needle for removing stubborn growths now concede that a simple paste made with powdered delatone and water is fully as efficacious and is devoid of pain, while the cost is trifling. The delatone paste is left on the hairy surface about two minutes and when it is rubbed off all traces of hair vanish. Washing leaves the skin soft, smooth and spotless. Be careful to see that it is delatone you get or you may be disappointed with the result.

Feel Out of Sorts?

It's a good idea to look for the cause!

But when headachy, bilious days come; breakfast or some other meal doesn't taste good; and the day's work goes wrong. (Ever feel that, way?)—then it's time to find out for sure if tea and coffee are causing the

After ten days or two weeks you will be able to decide whether to go back to tea and coffee troubles, or stick to Postum and peace and comfort.

Postum comes in two forms.

Regular Postum-must be well boiled.

Grocers everywhere sell both kinds.

Instant Postum-doesn't require boiling, but is prepared instantly by stirring a level teaspoonful in an ordinary cup of hot water and adding cream and sugar to taste.
