

households connected with the congregation the constant observance of family worship, and to every member and adherent the godly habit of secret prayer, and to the whole Congregation a faithful and regular attendance, as far as practicable, upon all the services of the Lord's Day, the Prayer Meeting on Wednesday evening and a diligent use of every means of grace. They most heartily recommend the faithful work of the Sabbath School Superintendent and his devoted staff of teachers, and affectionately urge all parents blessed with children in their homes, to send them regularly to the Sabbath School and give them a parent's prayers and loving aid in their preparation of the Sabbath lesson. They express great satisfaction at the results of the Pastor's class, and counsel as many as possible of the adult members and adherents of the Congregation, and especially our young men, to avail themselves of the advantages of this method of Biblical teaching.

The Session fervently pray, and invite all to pray with them, for more of the Power of the Holy Spirit to rest on our Congregation, that times of refreshing from the Lord may visit us, and that our beloved people may be as a garden which the Lord has blessed.

They, finally, entreat all the members to walk more closely with God, during this year, by consecrating some portion, of even the busiest life, to daily communion with God in private acts of devotion and prayerful study of His word, by solemn and earnest prayer for the unsaved among us, and by fervent supplication to God, before each religious service, for the promised power and demonstration of the Holy Ghost, to edify, to convince, convert and sanctify all the people.

Now the God of Hope fill you with all joy and peace in believing that ye may abound in hope through the power of the Holy Ghost.

J. ALLISTER MURRAY,
Moderator.

A. THOMSON,
Clerk of Session.
