Sarsaparilla is reputed to care. It is believed that suches remealy is wanted by those who suffer from Stramous complaints, and that one which will accomplish their curb must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints; 2.

Scrovilla and Scrovillos Complaints, East-moss and Emerited Diseases, Clerks, Printes Bidderenes, Clerks, Scald Head, Structure Diseases, Clerks, Printes, Bidderenes, Clerks, Scald Head, Structure Diseases, Victure, Victure,

contain but little of the virtue of Sarsaparille, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quare of Extract of Sarsaparills for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of oblogry which sests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

DR. J. C. AYER & CO.

Price, \$1 per Bottle; Six Bottles for \$5.

Ayer's Cherry Pectoral, has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in combant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best aperient in the world for all the purposes of a family physic.

Price 25 cents per Fox; Five boxes for \$1.00. Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below usmed furnish gratis our AMERICAN ALMANACIN which they are given; with also full descriptions of the above complaints, and the treatment that should be followed for their cure.
