**THIS WEAK,
 NERVOUS MOTHER**

Tells How Lydia E. Pinkham's
 Vegetable Compound
 Restored Her Health.

Philadelphia, Pa. — "I was very
 weak, always tired, my back ached,
 and I felt sickly
 most of the time.
 I went to a doctor
 and he said I had
 nervous indigestion,
 which added to my
 weak condition, kept
 me worrying most of
 the time — and he
 said I could not stop
 that, I could not get
 well. I heard so much
 about Lydia E. Pinkham's
 Vegetable Compound my
 husband wanted me to
 try it. I took it for a
 week and felt a little
 better. I kept it up for
 three months, and I feel
 fine and can eat anything
 now without distress or
 nervousness." — Mrs. J. WORTHLINE,
 2542 North Taylor St., Philadelphia, Pa.

The majority of mothers nowadays
 overdo, there are so many demands
 upon their time and strength; the
 result is invariably a weakened, run-
 down nervous condition with head-
 aches, irritability and de-
 pression. It is at such periods
 that Lydia E. Pinkham's Vege-
 table Compound will restore a normal
 health as it did to Mrs.

Children Cry
 FOR FLETCHER'S
 CASTORIA

So strong an appeal did this
 speaker from the heart of the
 empire make to the big audience that
 at many points it broke out into
 applause. Fervent voices called
 "Hear, hear," when carried away
 by the reasonableness of some of
 her arguments against Bolshevistic
 action and in favor of action that
 took into account the best good of
 all the people.

**DOES MONEY
 EVAPORATE?**

Money spent on medicinal
 preparations often does! In this way—
 You buy a preparation, use perhaps
 a third of it, and put the remainder
 on the shelf. When next you
 need it—unfit for use! Two-thirds
 of the money value of your
 expenditure has "evaporated."
 Just there is where Zam-Buk is
 so different—so superior! Zam-Buk
 is not only 100 per cent. medicine,
 but, owing to its freedom from
 animal fat, it never becomes
 rancid, but will keep indefinitely.
 Buy a box to-day, use what you
 require, put the remainder away,
 and when you have occasion to use
 it again, you will find its healing,
 soothing, and germ-destroying
 powers just as effective as the day you
 bought the box!

that is imperative," was an appeal
 quietly made, but sending a thrill
 into the heart of everyone who listened.

The tendency of Bolshevism, declared
 Mrs. Pankhurst, was to demand
 more and do less in return. The
 nation must organize for greater
 co-operation and greater production.
 If we did not strengthen ourselves
 in this way Germany would
 organize her own forces and Russia's
 millions and there would be
 another war when it would not be
 Germany that would go under.

**WHEN YOU CAME TO
 CANADA**

You did so because you had heard that this was a
 good country to live in and to work in.

You know that it is a good country. You know now
 that the opportunities for men and women are such
 as cannot be enjoyed elsewhere.

You know now that, in the fullest sense of the word,
 Canada is "a land of hope for all who toil — a land
 of liberty".

Knowing this, then, and knowing Canada — your a-
 dopted land --- is raising a Victory Loan to finish pay-
 ing for her part in the War of Liberty, you are ur-
 ged to lend your money to Canada, by buying Victory
 Bonds. And Canada expects that you will show by
 the number and amount of Victory Bonds that you
 buy, just how thoroughly you appreciate the benefits
 you enjoy by living in this great Democracy.

Remember also, when you buy Victory Bonds you
 make an absolutely safe investment. The security of
 the whole resources of the Dominion is behind it.

Canada will pay you 5½% interest for the loan of your
 money and will repay it in full in five or fifteen years,
 as you wish.

Show your appreciation what Canada has done for
 you.

Buy Victory Bonds to the very limit of your ability.

 VICTORY BONDS 1919**

Issued by Canada's Victory Loan Committee,
 in co-operation with the Minister of Finance
 of the Dominion of Canada.

As on Thursday night, the speak-
 er dwelt on the injustice and the
 foolishness of desiring to place the
 task of governing a great nation
 into the hands of those whose only
 claim was that they toil with their
 hands. The fact that they worked
 with their hands did not fit men for
 high tasks of statesmanship. Even
 if the men who do manual labor

had the knowledge for governing
 to have them alone rule would be
 unjust, anti-Christian and undemo-
 cratic. The toiler has a right to a
 degree of leisure, to a share in the
 refinements of life and to comfort-
 able living, but the way to bring
 this about was not through
 placing the governing of the nation
 into the hands of one class.

**BARON AND BARONESS
 WOERMAN MURDERED**

LONDON. — Baron and Mar-
 quessess Woerman, nephew and niece
 of the late Lord Armitstead, were
 murdered by the Bolsheviks in
 Riga last May, according to news
 reaching the Armitstead family at
 Dundee, Scotland. The advices

said that a grand nephew of Lord
 Armitstead, John Armitstead,
 was shot in March last, after hav-
 ing been in prison three months.

**41 KILLED IN TRAIN
 COLLISION**

COPENHAGEN. — Forty-one per-
 sons were killed and a large number

injured in a collision between an
 express train and another train
 Saturday night at Vigden. Five
 of the six coaches of the express
 train rolled down the embankment
 after the collision.

Had the families in your home for
 the purchase of Victory Bonds.

Peps
What are they?

Peps are handy little tablets
 which provide the newest, surest
 and most scientific treatment
 for coughs, colds and throat and
 chest troubles. If you have a
 cough or a cold, slip-down your
 stomach with liquid preparations.
 Your stomach is not ailing! Peps
 provide a better way.

You get a "Pop" on your tongue
 and let it dissolve slowly. As it
 dissolves, certain healing essences
 it contains pass into vapor, and
 you breathe this medicinal vapor
 direct to your lungs and air pas-
 sages. On its way it bathes the
 delicate membranes thoroughly
 in its healing ingredients, kills
 the germs of disease, cures the
 irritation and inflammation which
 cause your cough and ends the
 trouble.

Just as the outdoor treatment
 for consumption—the "breat-
 ing" treatment—is now advised
 to be the only rational treatment,
 so the "Peps" treatment for colds
 and throat and chest troubles is
 the only rational home treatment.

Another great advantage is Peps
 is their entire freedom from opium,
 morphine or other poison.
 They make Peps the best and
 safest remedy for children's
 coughs and colds.

Prevents asthma, coughs, bron-
 chitis, sore throat, tightness or
 swelling across the chest, difficulty
 in breathing, night cough, hoarse-
 ness, asthma, laryngitis, smoker's
 throat, etc.

All druggists and stores sell
 Peps at 25c. a box or 5 for \$1.25.
