Last night an accident which might have proved serious occurred on the Market Square when two messenger boys on bicycles collided. One of the boys was coming down Chipman and did not notice another coming towards him. Both were riding at a fast clip and collided near the Western Union office. The boys were both thrown to the ground and one of them was stunned by striking on his head, but recovered in a few minutes. The other boy received a few painful bruises on his leg. The wheels were

A young man named Daly had his leg broken or badly injured last night while playing baseball in a field at Fort Howe. Boys had been playing for some time and Daly was attempting to throw a ball when he was struck by a ball which had been thrown to catch it, but a companion who was near, shoved him into a deep hole and his leg was twisted under him. He suffered much pain from the accident and those who were with him believe that the limb was broken. A medical aid summoned. The boy who shoved him states that he did not do so intentionally, but was attempting to catch the ball and did not see Daly ahead of him.

I. C. R. SERVICE TO FERNHILL. A large number of people took advantage of the excellent service provided by the Intercolonial Railway to visit Fernhill Cemetery on Saturday afternoon. For the remainder of the summer the Intercolonial will operate a service between the city and the cemetery gates, the cars leaving Union Depot at 11:30 a. m., one, 2:30, 4 and 6 p. m., running to the cross road opposite the cemetery gates. Many expressions of approval were heard from the passengers of the evident desire on the part of the government and railway and the Directors of Fernhill to meet the requirements of the people. Our own citizens and tourists should take advantage of this service to visit Fernhill, which compares favorably, and from a point of natural beauty far surpasses many of the famous cemeteries in America.

SPORTING MATTERS

ANOTHER ATHLETIC EVENT TALKED OF. Movement on Foot to Hold Inter-Society Meet Here.

There is a movement on foot to hold an inter-society athletic meet here in the near future made up of teams from the St. Joseph, St. Peter, Father Matthew, St. Rose and St. John the Baptist societies. If such a meet could be arranged some fast and exciting contests would certainly result. The St. Joseph's would find plenty of good material in their society. Ned Simpson, Fred Sweeney and Jack O'Neill are all fast men and are capable of doing the 100 yards dash in 19-1/2 seconds. They would also run in the 200 and 400 yards dashes. McDonald is also capable of showing up well in the sprints. The Father Matthew would have Garnett for the sprints and Jim Barrett for the long runs. Tom Barrett would be sure to do good in the jumps and pole vault. In the latter event he has no equal in the city. The St. Peter's have Small, Mackoney, J. Dever, Kiley and P. Dever for the sprints. The same men would do well in the jumps.

The St. Rose have good material in Downey, Joyce, Kelleher and others, while Harris, Cragan and Littlejohn would be sure to come out for St. John the Baptist.

HAVE ABOUT DECIDED TO SECEDE FROM M. P. A. A. It now seems as though the chances of the M. P. A. A. to continue running amateur sport in this province are rather slim. When the St. Peter's and Marathons meet this afternoon they will play against the ruling of the Halifax body. Many other clubs in the city have also turned down the M. P. A. A. Some refused to obey that body on account of their action in keeping Hilton Blythe so long under suspension. These clubs will no doubt affiliate with the A. A. F. O. C. The meeting to consider the sport question will take place shortly and it would not be surprising in the least if wholesale secessions from the ranks of the M. P. A. A. took place.

COLORED MAN KILLED AT SPRINGHILL, N. S. Brother of Billy Jordan Crushed Between Boxes.

SPRINGHILL, MINNESOTA, N. S., July 31.—A sad accident occurred in No. 3 slope yesterday which resulted in the death of Percy Jordan, colored. The unfortunate young man was caught between the boxes and received internal injuries which resulted in his death a few hours after. The accident happened about 11 o'clock, and although Mr. Jordan was immediately conveyed to the cottage hospital nothing could be done save to alleviate his sufferings, and he lingered a few hours. The deceased was a native of Amherst, but 12 years of age, and has been living in Springhill but a few months. He was a son of Chas. Jordan, who resides in Amherst. His brother, Billy Jordan, is a pugilist of considerable fame.

Irishman (to shopman)—"I want something for mournin' wear, but I don't know exactly what the coosom is. What do they be wearin' now for mournin'?" Shopman—"It depends a little on how near the relative is for whom you wish to show this mark of respect. For a very near relative you should have a black suit, a black band on your hat, and black gloves. For someone not so near and dear you may have a broad band of black on your left arm, or a somewhat narrower one for somebody more distant." Irishman—"Oh, is that it? Well, then, gimme a shooshtin. It's me woffe's mother!" YOUTHFUL LOGS.

Mrs. L., a young and inexperienced Sunday school teacher, was at times sorely perplexed how to answer the questions put to her by some of her unusually bright pupils. One day just after she had finished telling the children the story that Adam was the first man God created quiet helpmed in the class room for several minutes. Suddenly up jumped a little boy and said a piping voice said, "Oh, teacher, you forgot to tell us whether God created Adam right away a man or a baby!" Embarrassed Mrs. L. looked up to the ceiling and then to the children for an inspiration. Happily she quickly replied, "Betty's little hand raised above the others eager to answer the question." "Teacher, I am surprised my sister Rosie should ask such a foolish question. Why, God, must have created Adam right away a big man, because if God had created him a baby he would have had to have a mother to take care of him."

GABINET MEETINGS WILL BE HELD DAILY FOR NEXT TWO WEEKS.

OTTAWA, July 31.—All the cabinet Ministers with the exception of Sir Richard Cartwright, who is still in Kingston, have returned to the city, and this afternoon a council meeting was held at which a beginning was made upon a long list of public matters now awaiting government action. The orders in council passed today were, however, for the most part connected merely with the routine of departmental administration. The appointment of the new railway commissioners will not be made for a week or so. Cabinet meetings will be held daily for the next fortnight, after which Sir Wilfrid Laurier will probably go to Arthursville for a short rest.
