Student life is a product of people and their ideas; its character is a total of these personalities. Because of this, the individual finds in campus life whatever he expects.

By means of photo essays, news copy, and a fresh approach to layout we have tried to capture the spirit of Saskatchewan's Regina Campus. Thus, the TOWER tells the story of a year of physical growth and the new milestones of the campus, intellectual and spiritual growth of the inhabitants of the campus, and is only as exciting and sound as the students make it.

May I at this time thank all my staff for their co-operative assistance in making The TOWER '64 a reality, and to Mr. and Mrs. John Toth of Vienna Studios, Mr. Alan Stobbs, CKCK-TV, and The Leader Post sincere thanks for your wholehearted cooperation.
