Grand Circuit Races Yesterday

Straight Heats in Three of the Four Events Raced at North Randall.

North Randall, Cleveland, Aug. 12.—Thomas W. Murphy, of Paquettsville, famous harness owner and driver, after having a field day at the grand circuit meeting, capturing two of today's three big stakes, suffered injuries which will keep him out of the sulky for several weeks.

Murphy drove Day Star, the winner of the championship stalling stake, valued at \$10,000, establishing a season's record for three year old trotters and then broke the world's record in the 2:05 class, winning the 2:05 class trophy, in the first heat of the next race he sustained two broken ribs and hip and body bruises in a collision. Murphy won his second stake in two straight heats, piloting Day Star to victory after hotly contesting the first heat with Natalie the Great, and the second in a whipping finish from Emma Harvester in 2:05 3/4, a new season's record for three year old trotters.

He then took the Press stake with Peter Manning in three straight heat fought heats. Peter L, which finished second in each heat, was always a stretch contender.

Peter Manning won the first heat in 2:04 3/4, breaking the world's record of 2:05 1/4 for 2:17 class trotters. He broke his new mark in the second heat, making the mile in 2:05 1/2. The third heat in 2:06, established a new world's three heat record for the class.

A collision in which Murphy was injured, occurred in the 2:05 class trot in which Murphy was driving Red Russell. Near the three-quarter pole, Betty Thornton, driven by Fred Egan, slipped and fell. Red Russell closed up behind, went into the overturned sulky. Murphy was thrown to the ground. Ed Gears, driving Mamie Locke, could not turn out in time and horse and sulky went over Murphy, who was quickly picked up unconscious and removed to an hospital.

Red Russell finished the heat driverless and was placed seventh.

Plans for the Race Meeting at St. John

MONCTON IS OUT FOR CHAMPIONSHIPS

Moncton, N. B., Aug. 12.—The Maritime Racing Association's plans for the race meeting at St. John were pretty well perfected here today, and there is now every indication that there will be a successful racing at Moosepass Park. Assurances have already been received from most of the campaigning stables that they will race at the opening meeting at St. John on Aug. 26th, 27th and 28th, and there is at present every likelihood of the eight classes on the programme filling and making three days' racing assured. However, entries do not close until the 16th instant, and it will be several days after that before the list of entries can be compiled. The programme for Exhibition week at St. John was completed today. It calls for nine stables with a total of \$3,800 in purses, and includes a free-for-all race with a purse of \$500, and a free-for-all trot with a purse of \$500. The other races are all for \$400 purses and are: 2:14 trot and pace, 2:16 trot and pace, 2:18 trot and pace, 2:20 trot and pace, 2:24 trot and pace, 2:27 pace. Entries for this meeting will close on August 20th. The majority of the stables will ship from here to Woodstock, where they will race on the 18th and 19th; then to St. John for the first meeting at Moosepass Park, others coming on from Springfield, N. S., where there will also be racing next week. Then there will be the Houston, Me., fair, after which the horses will come back to St. John for the Exhibition races.

Proposed Sports

Are Called Off

Lack of Sufficient Entries for Sports to Have Been Held Tomorrow Has Caused Them to be Cancelled—Football Match Instead.

It is to be regretted that the promoters of the sports that were to have been held on Saturday afternoon found it necessary to call them off on account of an insufficient number of entries. The city fathers and many prominent organizations in the city have done all in their power to revive athletics in the city this summer, and by athletics is meant all forms of sport, not one special branch. This lack of reciprocation on the part of local and provincial athletes should be deplored.

However, the football match, as announced previously, will be played. It will be an exhibition game between the pick of the English and Scotch players in the city. There is a very high class of soccer men in St. John at present, and a keenly contested game is assured.

Giants Again

After Hornsby

Another Big Ball Deal is Said to be Pending.

New York, Aug. 12.—The report is current here today that the New York National League club will have Rod Hornsby on its team within another week. The deal is said to be a reliable baseball personage, is that New York will give Pitcher Barnes, Outfielder Young, Catcher McCarthy and Infielder Larry Doyle for the Cardinal star.

The fact that Turner McCarthy has already been caught over the St. Louis outfit and is with them in Boston, makes the statement seem even more reliable. New York Giants fans are much enthused over the report, coming as it does just when the Giants have been "settling the league on fire."

With Hornsby on the pay roll and his "punch" added to that which the entire team has been showing for the past several weeks, the fans can see nothing but pennants in the National League and World's Series—coming New Yorkward this fall. The management of both the New York and St. Louis National League clubs have refused to either affirm or deny the rumor.

GERALD MIELKE

GOING TO OTTAWA

Reports from Halifax say that Gerald Mielke, the phenomenal boy golfer of the Brightwood Club, and the amateur champion of the Maritime Provinces, will be sent to the Canadian open championships, which take place at Ottawa on the 26th and 27th of this month. Mr. Mielke is a good match player, and for this reason it is expected that he will make a good showing.

J. H. McNutt, \$5 85
J. F. Emery, \$5 85
Lieut. J. T. Downey, \$5 82
J. S. Knox, \$2 49
Cadet C. Seeley, \$2 45
W. J. White, \$2 40

Cadet E. Snow, Rothesay, \$2 40
W. McLean, \$2 24
The summary of the scores made in the Cadet Match, which was shot this afternoon, has not yet been completed.

FAMOUS OLD CUB PARK IN HANDS OF WRECKER

The announcement that there is for sale a mass of lumber on the west side of the city of Chicago has no appeal to sentiment, but many memories are awakened when one finds out more about the particular lumber for sale. Some 1,000,000 feet are thrown on the market and with the sale of it the saws of a wrecking company buzz a requiem and awaken memories of hundreds of thousands of baseball fans.

It is the end of the old home of the Chicago Cubs at Polk, Lincoln and Wood Streets. It was from these stands that fans of other years looked upon some of the greatest battles in major league history, looked on joyfully as pennants were won, or sorrowfully as pennants were lost.

The famed landmark of baseball, the home of world's champions and league champions, where heroes of the diamond cavorted on the green before cheering thousands in battles for baseball supremacy, is doomed. The wrecking company is attending to that.

Remember Anson's Colts, and the great stars who followed. Remember Cap Anson, Big Bill Lange, Bill Dahlen, Clark Griffith, Jimmy Callahan, "Jiggs" Donohue, Danny Green? Then later the "peerless" leader, Frank Chance, Johnny Evers, Joe Thicker, Heinie Zimmerman, Jimmy Archer and others—all associate themselves vividly in the minds of baseball fans with Polk, Lincoln and Wood Streets.

Sees Three Winners Among Canadians

Walter Knox Feels Sure Three of His Team Will Carry off Premier Honors.

Antwerp, Aug. 12.—Walter Knox, coach of the Canadian athletes, told the Associated Press yesterday that several of his men have excellent chances to win Olympic honors. He mentioned among these Earl Thomson, of Saskatchewan, in the hurdles; Thomas Towne, of Manitoba, in the 6,000 metre run, and Archie McDiarmid of British Columbia, in the 56-pound weight and hammer throw.

Knox also thinks his cyclists are good for the road race, provided they are able to solve the tricky rough spots at certain points of the course. He expressed a preference for Charles Melter, of Chicago, for marathons.

The Canadian swimmers, George Vernot and Geo. R. Hodgson, of Montreal, are expected to arrive here during the present week and are likely to win places in the mile and 1,500 metre events, according to Knox.

"MUGSY" MCGRAW

AT HIS OLD TRICKS

While "Under the Weather" Beats up Two Friends Who Were Taking Him Home.

New York, Aug. 12.—John C. Slavin, musical comedy actor, was injured following a scuffle early Sunday morning, when John J. McGraw, manager of the New York Giants, resented his attempt to see him safely home. Arrived at his apartment, assistant District Attorney P. Francis Marro was told today by Wm. T. Meagan, the taxi driver, who took the actor and his friends to McGraw's home after using baseball man's fight with a member of the Lamb's Club.

McGraw, Meagan declared, was "under the weather" and resented Slavin and Liggett's determination to see him safely home. Arrived at McGraw's doorstep, Meagan told the prosecutor, Liggett got out first and then helped McGraw to alight. When all three were on the sidewalk an argument started. Then Meagan said McGraw gave Liggett a push and he fell, his body lying partly in the doorway of the taxi cab and partly on the sidewalk. A moment later he heard a "thump" and saw McGraw walk into the vestibule of his home. Slavin had fallen to the sidewalk and was lying unconscious near Liggett, he said.

SEVERAL PROTESTS MADE IN THE BICYCLE HEATS.

Antwerp, Belgium, Aug. 10.—Many of the Olympic bicycle heats here Monday proved to be farces, the riders being almost motionless as they jockeyed for positions, with the leader looking back to watch his opponents as they prepared to sprint. Several protests were made during the heats, but the judges did not allow them.

Anthony Young, of New York, protested Emperor of Belgium, for shouldering Harold Bounhall, of Toronto, made a complaint against the French riders, charging team work, while Fred Taylor, of Newark, lodged a complaint against Halpin, Australia, of cutting Taylor down.

In the final, Johnson, of England, who finished second, protested Peters, the winner, for riding him up the back.

The foreign riders agree that the track is impossible. The flat riding space is about 5 feet wide, while the bank used for motorcycles is from 40 to 70 degrees.

MONCTON RACES WERE POSTPONED

Moncton, N. B., Aug. 12.—Rain and a muddy track caused a postponement of the Maritime Circuit races which were scheduled to open here this afternoon. The heavy fall of rain during last 24 hours left the track in an unsafe condition for racing. Weather permitting the first of the three days meet will start tomorrow.

Moncton, Aug. 12.—The Moncton amateur athletic association is out to have the M. P. A. A. championship races held here on Labor Day. If Moncton gets the sports it is planned to stage a labor celebration as well. The Amalgamated Trades and Labor Council will co-operate in the celebration.

POLISH ATHLETES OUT OF OLYMPIC GAMES

Antwerp, Aug. 12.—Definite announcement that Poland will not participate in the Olympic games has been made. The Belgian Olympic Committee has received a telegram from Polish authorities saying that because of the serious military situation the young men of the country are flocking to the front and that the Polish athletes refuse to quit the service of the nation in time of peril.

Today the American rowing shells were taken to Montreal where the rowing events are to be held and it is expected they will be in the water for practice tomorrow. An old tavern by the canal which will serve as the race course has been rented as a lodging for the American rowing candidates.

Germany Sore Over Losing Olympiad

Say Allied Countries Showed "a Deplorable Lack of Sportsmanship" in Side-Tracking Berlin and Shutting Out Germans.

(Copyright, 1920, by Public Ledger)

Berlin, Aug. 12.—The German sporting world is watching the Olympic games this year, not without a grudging interest, to say nothing of a feeling of bitterness, which is reflected in the comment of sports writers. The Germans are reminded that the sixth Olympiad was to have been held at the Berlin stadium in 1916, for which preparations were being made at the outbreak of the war.

It is a widely held opinion, and a frankly outspoken one, that by choosing Antwerp, and excluding Germany, the Allied countries showed "a deplorable lack of sportsmanship."

The Berlin Tageblatt says: "The sixth Olympiad has been accorded Belgium, of course, to the exclusion of the Central Powers, with whom sporting relations have been cut off. We are not heavily hit by this exclusion. The wounds which were inflicted on our youth have not healed. The great majority of our finest athletes rest under the green sod. We would not have had much to seek in the international Olympiad."

The paper adds, however, that if Germany had been asked to compete by her contribution in the field of sport aeronautics.

Championships have been held this week at Turin and the Inter-Provincial tournament between New Brunswick and Nova Scotia will open on the Rothesay courts Monday, August 23.

The Provincial Tennis Championships will take place next week on the courts at Rothesay and it is expected that all the clubs in the Province will be represented. The Nova Scotia
