**JUNE WEDDINGS**

**Morris-McCabe.**  
 A wedding of interest to friends in this city took place in Seattle, Wash., on May 23, at 7 a. m. in St. John's church, when Miss Agnes M. McCabe, daughter of Mr. and Mrs. John McCabe of that city, was united in marriage to Kenneth George Morris, son of Hugh Morris of this city. The bride was attended by Miss Kate Perry, Charles Morris, brother of the groom, acted as groomsmen. Following the ceremony, a wedding breakfast was served at the home of the bride, after which Mr. and Mrs. Morris left on a trip to Tampa, Fla. Mr. and Mrs. Morris will make their home in Seattle.

**Gaudet-Higgins.**  
 An interesting wedding took place yesterday morning in the Cathedral of the Immaculate Conception, when Rev. Wm. M. Duke, with nuptial mass, united in marriage Miss Bertha Elizabeth, daughter of the late Mr. and Mrs. Thomas Higgins, of Little River, to Alfred Lionel Gaudet, local manager for P. G. Spencer, Ltd., and son of Mr. and Mrs. Marcellin Gaudet, of Montreal. The ceremony was officiated by Rev. J. E. Mother, still officiating. Mr. and Mrs. Gaudet left after the ceremony for Halifax, where they will reside.

**Gaudet-Wyryn.**  
 An interesting wedding took place in St. Bernard's church at eleven o'clock yesterday morning when Dr. A. E. T. Gaudet, son of the late Dr. E. T. Gaudet, of Monrovia, was married to Miss Helen Josephine Wyryn, youngest daughter of Conductor and Mrs. M. Wyryn of this city. The ceremony was performed by Father Savage in the presence of a large number of friends. The bride was attended by her sister, Miss Maud Wyryn, while the groom was supported by his brother, Dr. A. E. T. Gaudet, following a reception at the bride's home, the young couple left on a motor trip to Quebec and Montreal. On their return, Dr. and Mrs. Gaudet will reside in Monrovia. The groom formerly practiced in St. Joseph's.

**Funerals**  
 The funeral of Mrs. Annie E. Barnes was held yesterday afternoon from the residence of her daughter, Mrs. W. J. Hunter, 51 Sydney street, at 2 p. m. Rev. F. J. M. Appleman conducted the service.

The funeral of Mrs. Henry Baird was held yesterday afternoon from the residence of John Baird, 73 Queen street, West St. John, to Lorneville, where service was conducted by Rev. W. J. Davis. Interment was in the Lorneville cemetery.

**Obituary**  
 Mrs. Margaret Kelly.  
 The death of Mrs. Margaret Kelly, wife of James H. Kelly and daughter of the late Mr. and Mrs. Matthew Garrett, occurred at her home, 214 Bransford street, Monday evening. Mrs. Kelly, who had been ill for about a month, is survived by her husband, two sons, Robert H. of this city, and William J. of Fredericton, and two daughters, Mrs. W. Williams, of this city, an Miss May, at home. The funeral will take place from her late residence this afternoon at 2:30.

**CORNS**  
 Lift Off with Fingers  
  
 Doesn't hurt a bit! Drop a bit of "Freezone" on an aching corn, instantly that corn stops hurting. Then when you lift it right off with fingers. Truly "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, corn between the toes, and the calluses without soreness or irritation.

**REGAL FLOUR**  
 Do not suffer another day with aching, inflamed, or frozen, itching, or burning PILES. No surgical operation required. Dr. Chase's Ointment will relieve you at once and afford lasting benefit. See a box at your doctor's or buy direct from Dr. Chase's Ointment Co., 1100 St. John St., Montreal. Sample Box free if you mention this paper and enclose 5c. Money to pay postage.

**Navy Island Goes Back To Militia**

**Famous Spot from Which the "Caroline" Was Captured Gov't Property Again.**  
 Niagara Falls, Ont., June 21.—Navy Island, in the Upper Niagara River, has been taken over by the Canadian Government and the lease formerly held by the Navy Island Fruit Growers' Association has been abrogated. The company has had a lease since 1873. The terms of the lease, which was for 99 years, are said to have included a clause that it could be terminated at any time for military purposes or in case of war between Canada and the United States. Formal notice was given on May 1, and a small detachment of Canadian troops was sent and pitched its tents.

**One Farmer Remains**  
 Except for those of one farmer who will be left on the island, all buildings have been torn down.  
 Navy Island is located below Buckhorn Island in the upper river, at a point opposite the waterworks. It contains about 150 acres of fertile soil, and is one of the most beautiful spots on the upper river, possessing in its soil, minerals and thus, according to some, a source of health. It is said to be a source of health. It is said to be a source of health.

**Vast New World of Wealth Found**

**Beyond Terra Del Fuego is Region of Oil, Minerals and Furs.**  
 Vancouver, June 21.—The British Antarctic expedition headed by Dr. Cope, has discovered a new continent. Antarctic region described as rich in oil, minerals and furs, according to a cable from Sydney, N. S. W., quoting the Sydney Morning Post. According to the brief despatches reaching Sydney from the "Antarctic," strange birds of immense size, seals, emperor penguins inhabit the land beyond Terra Del Fuego, the area of which has not yet been computed.

**TELLS HOW CATARRH IS DESTROYED QUICKLY**

Catarrh sufferers, meaning those with colds, sore throat, bronchitis, etc., can all be fixed up right at home by inhaling "Catarrhose." In using Catarrhose you don't take medicine into the stomach—you just breathe the healing piney vapor direct to the lungs and air passages. The purest balsams and the greatest antiseptics are thus sent to every spot where catarrh is present. Catarrh germs are killed, foul secretions are destroyed, nature is given a chance and the disease ends quickly. Colds and throat troubles can't last if the pure healing vapor of Catarrhose is breathed—sneezing and coughing cease at once, because irritation is removed. Bronchitis, irritative cough, weakness in the throat soon disappear. Use Catarrhose whether young or old. Two months' treatment \$1.00; small size 50c., dealers everywhere, or The Catarrhose Co., Montreal.

**Threaten Jail For Sir Wm. Mackenzie**

**Must Appear Before Toronto Lawyers at Once to Give Evidence in T. S. R. Deal.**  
 Toronto, June 21.—This city's legal department is applying to the courts to send Sir William Mackenzie, president of the Toronto Street Railway, and former president of the late Canadian Northern Railway, to prison. The sheriff served notice on the traction magnate last night.

This means that Sir William must appear to be examined by the city lawyers on his affidavit containing a counter-claim to the city's claim for delayed percentages amounting to \$1,200,000, or he will run the risk of being committed to the county jail for alleged contempt of court.  
 It is recalled that the city once applied to put R. J. Fleming, general manager of the Toronto Railway Co. in jail, but didn't do it. The object of the proceedings against Sir William is, of course, to secure his examination.

**MANY KILLED IN MINE.**  
 Berlin, June 21.—Sixty-eight men were killed and seventy-three others injured through the explosion due to fire damp, which destroyed the greater part of the Most Cenis mine, near Horze, Westphalia, yesterday. Three hundred men were in the mine when the disaster occurred.

**ST. JOHN'S MILK SUPPLY.**  
 St. John, June 20.  
 To the Editor of The Standard,  
 Sir,—In today's issue of your valuable paper am asked to answer a number of questions regarding milk, and I may say that the writer of the article signed "Consumer" appears to know what he should have, but does not know how to get it.  
 I will assume that "Consumer" has a family of small children and if he has he is anxious for their welfare, growth and development, and being equally interested, I shall give him my article my very best attention.  
 Question No. 1.—Give reasons for disagreeable odor and bad taste which we get in milk before it has turned sour. And is such milk safe to use?  
 Answer.—There are many bad flavors which appear in milk which is not sour, such as stale flavors, food flavors, dirty can flavors, as well as those caused by the use of substances such as soda or formaldehyde, which prevents milk from souring, and when these substances are used for the purpose of neutralizing the acid so that milk can be delivered sweet, the decomposition in milk before it has turned sour. And is such milk safe to use?  
 Answer.—There are many bad flavors which appear in milk which is not sour, such as stale flavors, food flavors, dirty can flavors, as well as those caused by the use of substances such as soda or formaldehyde, which prevents milk from souring, and when these substances are used for the purpose of neutralizing the acid so that milk can be delivered sweet, the decomposition in milk before it has turned sour.  25 Yards Dash  
 Junior School—1st, Walker; 2nd, MacLean; 3rd, Bliss. Time, 9.43 seconds.  
 100 Yards Dash  
 Senior School—1st, Black; 2nd, Douglas; 3rd, Burbridge. Time, 10.45 seconds.  
 Middle School—1st, Carter; 2nd, Parks. Time, 12 seconds.  
 75 Yards Dash  
 Middle School—1st, Parks; 2nd, Douglas; 3rd, Burbridge. Time, 12.35 seconds.  
 Junior School—1st, Scammell; 2nd, Douglas; 3rd, Burbridge. Time, 15 seconds.  
 12 lb. Shot Put  
 Senior School—1st, Douglas; 2nd, Kitchen; 3rd, Teed. Distance, 35 ft. 6 1/4 in.  
 Middle School—1st, LeRiche; 2nd, C. Johnson; 3rd, M. Carter. Distance, 26 ft. 9 in.

**High Jump**  
 Junior School—1st, Fleming; 2nd, McIntosh; 3rd, F. Walker. Height, 4 ft. 2 in.  
 Middle School—1st, Frith and Parks; 2nd, C. Johnson. Height, 4 ft. 7 in.  
 Senior School—1st, Dennis and Stevens; 2nd, Teed. Height, 4 ft. 11 1/2 in.  
 12 lb. Hammer Throw  
 Middle School—1st, LeRiche; 2nd, Parks; 3rd, C. Johnson. Distance, 67 ft. 3 in.  
 Senior School—1st, Teed; 2nd, Brownell; 3rd, Kitchen. Distance, 97 ft. 6 in.  
 Running Broad Jump  
 Middle School—1st, Lance; 2nd, W. Sten-

**SHIPYARDS TO CLOSE.**  
 Toronto, June 21.—With the prospective closing of the work of the Dominion Shipbuilding Company's yards in a few days and the resultant throwing of 700 men on the street, appeals are being made to the Toronto board of control to do something to keep the plant going. The men say there is material to the value of \$1,250,000 in the yards and this will be wrapped up unless more boat building is carried on.

**LOSE CAPE CAR ON LIMITED.**  
 In regard to the proposed change in the St. John-Moncton line, the premier has been informed by the C. N. R. passenger department that the Cape parlor car will be operated on the train leaving St. John at 1:30 p. m. The car will continue through to Cape Tormentine and will return the following day on the train due at 5:30 p. m. The service will be daily except Sunday. This arrangement will mean that passengers from Moncton on the Ocean Limited, which is due here at 9:30 p. m., will not be able to get a Pullman service and those holding Pullman tickets will have to travel first class.

**PILES**  
 Do not suffer another day with aching, inflamed, or frozen, itching, or burning PILES. No surgical operation required. Dr. Chase's Ointment will relieve you at once and afford lasting benefit. See a box at your doctor's or buy direct from Dr. Chase's Ointment Co., 1100 St. John St., Montreal. Sample Box free if you mention this paper and enclose 5c. Money to pay postage.

 They have their own shops, with every appliance for efficiency and promptness, and they'll do the work well. Once they've washed your car, you'll want them to wash it always.  
**MEMORIAL WORK SHOPS**  
 Water Street, Nearly Opposite Customs House  
 Phone Main 3684

**CASE IN CHAMBERS**  
 Before Mr. Justice Chandler in chambers yesterday the case of the Franklin M. Allen Co. vs. the Atlantic Sugar Refinery Co. was taken up. The case arose over the payment of some \$2,300 for a compiled sugar statement prepared by the Allen concern in New York. After the compilation the Sugar Refinery Co. refused to accept the statement and the Allen Co. issued a writ against the Sugar Refinery. F. R. Taylor, on behalf of the Sugar Refinery, maintained the writ could not be served on the Refinery manager here since their main place of business was in Montreal, and as the plaintiff company were foreigners with regard to our courts, it is the first case of its nature ever sustained in the local courts. C. F. Inches appeared for the Allen concern.

**Medals Presented**  
 At the conclusion of the sports the leading point winners in each event were presented with medals by the bishop in the presence of the large number of parents and friends of the boys who were assembled on the college lawn. He also spoke briefly of the good work of the school and congratulated the boys on their fine showing. The winners of each event also received prizes. Tea was then served in the South House. In the evening a hall was given by the graduating class and was attended by some seventy-five couples. The chaperones were the Mesdames Hibbard, Scott and Skelton. Music was furnished by an orchestra from the city.

**Old Boys' Association**  
 A meeting of the Old Boys' Association was held after the sports yesterday, where it was decided to put up a cup for competition in the annual interscholastic track meets. As to what schools will be eligible for competition, and what shall be deemed to constitute a track team in order to be allowed to compete for the cup, was not decided upon by the meeting. N. H. Deslauray was elected president of the association and trustee of the cup.
