

## Memo

With reference to that portion of Mr Fisheries' Commissioner Whiteher's Memorandum of date 11<sup>th</sup> July 1876 in which, alluding to the Report of the undersigned dated 6<sup>th</sup> March 1876, that gentleman states that the conclusions of his<sup>x</sup> report made in compliance with an address from the Legislative Council dated 18<sup>th</sup> Sept 1863, and the action thereon of the Government of Messrs J. S. Macdonald, and Davison were exactly the reverse of what the present Deputy Superintendent, Mr Banks Street, believes them to be - the undersigned has to remark that he cannot find that any allusion was made by him in his report of 6 March 1876 either to Mr Whiteher's conclusions in his report to the Legislative Assembly or to the action of the Government thereon.

The undersigned finds that the first part of his report merely recounts the arguments used
