Havana, July 26—The fiscal officer in charge of the custom charge of the custom house cases asked the court today for a sentence upon Arostegui of six months imprisonment and a fine of \$1,186 upon Cubas Lopez, Chacon and Corujido, appraisers, terms of imprisonment, ranging from three to six months, with fines ranging from \$267 to \$2,307 and upon two merchants implicated, fines to the city have been anxious to lynch Pierson. Neither the sheriff nor the chief of police apprehend that any serious attempt will be made to break into the jail. Mayor Capedevielle and his assistants

made arrangements this afternoon for transportation facilities which would assist in the quick despatch both of the militia and of the special police from one section of the city to another.

Late this afternoon Mayor Capedevielle issued a proclamation which had an ex-cellent effect. It called upon all good citizens not enrolled in the special police to go to their homes or places of business

and remain there.

As a result of the proclamation few people were on the streets tonight. At the various exchanges the wish was ex-pressed that the Associated Press might ent emeute was one sincerely deprecated and having the support of none of the conservative elements of the community. The local business bodies are much opposed to the importation here of large numbers of negroes from plantations to work on the levees or the public works, but while they are of that opinion, they are very much

the negro population.
Only the worst elements have participated in the disorders.

Is France Preparing for War?

London, July 26-In connection with the scare created by the immense quanties of steam coal leaving Great Britain for of negro laborers daily leave for their work at Chalmett. They saw a crowd of darkies approaching and started to chase them. Louis Lapuyard got in their way and received a bullet in the leg.

At 11 o'clock a mob marched through Lafayette Square, which is opposite the city hall, and discovering some negroes in the park, jumped on them and beat them until they made their escape.

One of the most sensational incidents of the day was the discovery of two negroes France admittedly for the use of the French navy, Mr. A. J. Balfour, first lord of the treasury, significantly pointed out in the house today that the bill before war munition applied to coal as well as to

Binghampton, N. Y., July 26.—A special to the Leader from Montrose, Pa., says: Eight prisoners, all of them professional tramps: and tough characters, escaped from the Susquehanna county jail in this place early this morning.
