THE IMPROVED MODEL WASHER AND BLEACHER

Only Weighs 6 lbs. Can be carried in a small valise.

Pat. Aug. 2, 1884. Satisfaction Guaranteed or Money Refunded.

**\$1,000 REWARD FOR ITS SUPERIOR.**

Washing made light and easy. The clothes have that pure whiteness which no other mode of washing can produce. No rubbing required—no friction to injure the fabric. A ten-year-old girl can do the washing as well as an older person. To place it in every household, the price has been placed at \$3, and if not found satisfactory, money refunded. See what the *Baptist* says, "From personal examination of its construction and experience in its use we commend it as a simple, sensible, scientific and successful machine, which succeeds in doing its work admirably. The price, \$3, places it within the reach of all. It is a time and labour-saving machine, is substantial and enduring, and is cheap. From trial in the household we can testify to its excellence."

Delivered to any express office in Ontario or Quebec, charges paid, for \$3.50.
