RAILROAD KIDNEY.

I, WILLIAM WALKER, of the City of Hamilton, do solemnly declare that I reside at 84 Colborne Street, and am employed as passenger brakeman on the G. T. R.

I suffered intensely with what is called Railway Kidneys and also had Sciatica, which became so severe that I had to leave my work. I had medical treatment, was fly blistered and had hot irons applied, but without success. I took a great quantity of medicine and when I began the use of Ryckman's Kootenay Cure I thought it was only another experiment and could hardly trust my own senses when I began to get better. The pain gradually left me, my kidneys began to act with regularity and promptness, my appetite returned, and now I am cured. I am forty years of age, have been with the G. T. R. for twelve years, and am now able to work every day, thanks to Kootenay Cure, which I have pleasure in recommending to everyone suffering with Rheumatism or Kidney Trouble, and especially to railroad men, who are all more or less subject to disordered Kidneys.

TWENTY YEARS OF LUMBAGO.

I, JAMES MUIR, of the City of Hamilton, Co. of Wentworth, residing 243 Emerald Street N., do solemnly declare that I am at present employed as night baggageman Master Grand Trunk Station, Hamilton. I was troubled for over twenty years with Lumbago, and at times was so severely afflicted that I could not walk. Twice a year during the time the attacks were very intense, but the pain was constantly with me, and for about ten years I could not stand straight for a longer period than about fifteen minutes, when I would be compelled to lean over or stoop forward in order to relieve myself.

After using nine bottles of Ryckman's Kootenay Cure I am free from Lumbago and consider myself completely cured. I told Mr. Ryckman that if I felt no pains for one year after taking his medicine, that I would give him a testimonial, and as the time expires this week, I came to him without solicitation to give this sworn declaration. I conscientiously consider Kootenay Cure one of the greatest and best remedies for back or kidney trouble ever used by mankind, and wish my case to become generally known, as I doctored with five different medical men and was told by some of them that they could do nothing for me; others said, "Go to bed and stay until I got better," but that would have been giving up all hope and confessing myself a hopeless invalid. Kootenay Cure was my salvation, and I believe it only right that medical men, universities and hospitals should use the remedy extensively.
