

Williams' Shaving Stick

"The kind that won't smart or dry on the face"

Some men will always insist on Williams' Shaving Stick.

Others like Shaving Powder.

Still others find their ideal shaving preparation in Shaving Cream.

Finally, many cling to the shaving cup and cake of soap.

Whichever form of shaving soap suits you best, you will make no mistake if it's Williams'. You can't get quite the same shaving comfort or quite the same soft, creamy, soothing, non-drying lather in other kinds.

Four forms of the same good quality:

Williams' Shaving Stick (In the Hinged-cover, Nickerled Box)

Williams' Holder-Top Shaving Stick
