June 12th 1906

Sir

As Carruthers the Indian Agent being very anxious to have the East boundary of Indian Reserve No 66 ascertained as the settlers were said to be encroaching. I have to report that I have seen the same from Lake Le Cœur south to the south East angle of the said Indian Reserve No 66.

I leave to report by train for Pemmichee to carry out your instructions on the Carlton Place by address Pemmichee Lake.

I D W Lunn }
Chief Dept Indian Affairs
Ottawa

I have the honor to remain Sir

Your Obedient Servant
J. Robert Rice
