

27.580/5.

Ottawa, May 21st, 1909.

Sir:-

I have to advise you that the Department received a Quit Claim Deed and Proof of Execution from Medley G. Siddall at Washington D.C. covering certain lands in Cumberland Reserve and to ask if you could advise where a communication would reach him, as it is necessary to return the Deed so that an Affidavit of execution made by a subscribing witness and attached to the Transfer may be forwarded to the Department, and on receipt of which, the land will be entered in the name of The Canadian Land Company, Limited. This action is necessary under Section 54, Chapter 81, Revised Statutes of Canada.

Your obedient servant,

Secretary.
