Ottawa, July 20th., 1917.

Sir,-

I beg to acknowledge receipt of your letter of the 13th instant, enclosing voucher in favour of Dr. C.A. Arnott for \$13.00. The voucher is returned herewith as it is not evident why the doctor makes charges for three patients who had no disease and it is presumed received no treatment. The voucher should be corrected by the deductions of these charges.

Your obedient servant,

Asst. Deputy and Secretary.
