

119469-1

December 27th. 1919.

Dear Sir,

I beg to enclose herewith bill from Messrs. Taylor and Colwill, Portage la Prairie, for examining the title and arranging the purchase of property at Portage la Prairie. I would be glad if you would consider the bill to be taxed.

The Department is disposed to allow the fee "for conducting negotiations with Stacey and for above interviews, etc." for \$100.00. I have no doubt Mr. Taylor took a good deal of trouble in endeavouring to arrange the price of the property.

Yours very truly,

Deputy Superintendent General.
