NOTICE

1. Files should be returned as soon as their immediate necessary. If a file is frequently needed at short intervals, it is better to R.F. it for two or three days than keep it out of Central Registry indefinitely. This ensures it being completed and kept in order, and also gives other officers an opportunity to see same.

2. Central Registry should be notified whenever a file is passed direct to another branch.

3. Registered letters should bear the address of the registry.
