

ly add two or three  
illions in it!" (Ap-  
ou again. Thanks.  
t something else. I  
Mr. Henry Abbey,  
tre, for his kindness,  
rality. My thanks  
lies and gentlemen  
helped me through  
all a most successful  
ess I am much in-  
way in which they  
performances, and  
words of encourage-  
a I made the bold  
ment a "irizing a  
ne even yet believe  
permission I shall  
it much better, but  
the time) another  
lamont, failing as a  
away Tribe, turus  
a frightfully long  
ror. I merely add  
extra clear. Robert  
nd of mine, and he  
anner, been teaching  
ricks. They do look  
difficult. He thinks  
ng babies and bird  
nd putting them up  
hen. But then he  
don't. That gives  
to Miss Heller, she  
months past endea-  
the 'Second Sight'  
d the 'First Sight.'  
that floors me. For  
can take a common  
it a common hat, but  
once how, by a pure  
y produce a common  
vo pounds and a few  
a fearful strain on  
at a glance how it is  
l, I'll do it again.  
nen?') When I re-  
ood night. God bless
