## TO-MORROW'S EAST KENT CONVENTION.

To-morrow the Liberal-Conservatives of East Kent will meet in convention at Ridgetown to select a candidate for the forthcoming general Provincial election.

The gathering promises to be a most successful one in every respect. A large and representative attendance is assured and the presence of the Conservative leaders, Mr. J. P. Whitney and Mr. J. J. Fdy, will add much enthusiasm and energy.

The delegates will make their choice freely and spontaneously. There will be no jealousy and no machine interference. There are many stalwarts in the constituency, any one of whom would do credit to the party and the riding. One of these will be selected and, whoever it may be, he will have the hearty, wholehearted and telling support of all his colleagues.

And we believe the choice of the convention will prove the choice of the people on polling day.

## AN AMERICAN FAKE.

If there were any truth in the report of a conspiracy among the Yukon miners to overthrow Canadian authority, it is scarcely likely that the information should have first leaked out through San Francisco newspapers. The story has all the marks of a huge fake, and all the more so that it originated in a city whose journals are noted for the fertility of their imagination. We have no doubt that the miners have grievances, but things have improved in the Yukon in the last year or so, and since the reduction in the gold tax, there has been much less complaint than formerly, when the principal use of the country appeared to be to provide fortunes for needy Government officials.

The miners, moreover, are not altogether destitute of sense, and it would undoubtedly strike them that, even if a rebellion were successful, they would be at the mercy of the Canadian Government as soon as their present stock of provisions failed, as all supplies going in by way of American territory would be certain to be intercepted.

## HOW ABOUT THIS?

Ottawa Citizen.  
If every public man in Ontario who has had a drink after hours was prosecuted and disqualified, they would have to be a general municipal election.

## THE DEAR THINGS!

Toronto Telegram.  
Journals devoted to woman, lovely woman, are just now publishing recipes telling how a perfectly gorgeous Christmas present can be made for a gentleman at a cash cost of ten cents and downwards.

## MUST HAVE PICKED THE WINNERS.

New York Tribune.  
"Uncle" Eben Lancaster is the oldest voter in Maine. He has lived under every president except Washington. He cast his first vote for James Monroe, and has voted for every president since.

## EUPHEMISTIC.

Montreal Star.  
"Tell them No, that I won't give them a cent," roared a man to his wife this morning, and she obeyed him by writing the following: "My husband regrets very much that owing to hard times he is unable to help your worthy cause along. He begs you to accept his sincere good wishes, and he will be pleased to donate generously another year."

## The Small of the Back

That is where some people feel weak all the time.

They are likely to be despondent and it is not unusual to find them borrowing trouble as if they hadn't enough already.

The fact is their kidneys are weak, either naturally or because of sickness, exposure, worry or other influences.

"I was taken ill with a kidney trouble," writes Mrs. Thomas Innis, of Wallaceburg, Ont., "and became so weak I could scarcely get around. I had headache, and cramps in my stomach, and my food did not digest. I took medicine without benefit, and finally decided to try Hood's Sarsaparilla. After the first bottle I felt so much better I continued its use and six bottles made me a new woman."

**Hood's Sarsaparilla**  
Promises to cure and keeps the promise. Begin treatment with Hood's today.

If President Roosevelt continues to insist on merit, he will politically bankrupt some of our most influential statesmen.

## NOT CANADA'S STRONG POINT.

Buffalo News.  
Next year, or probably the following year, the Canadian people will read the official results of the late census. Canada is up-to-date on deep waterway canals, but a little shy on census figures.

## NURSING MOTHERS

A mother's poor health is bad enough for the mother but worse still for the nursing baby.

Mothers find Scott's Emulsion a nourishing and strengthening food. If the breast milk is scanty or thin Scott's Emulsion will make it rich and more abundant.

When mothers take Scott's Emulsion the babies share in the benefits. Thin babies grow fat. Weak babies get strong.

We'll send you a little to try, if you like.
