Deranged Nerves AND Weak Spells.

Mr. R. H. Sampson's, Sydney, N.S.,
Advice to all Sufferers from
Nerve Trouble is

"GET A BOX OF MILBURN'S HEART AND NERVE PILLS."

He says: "I have been ailing for about a year from deranged nerves, and very often weak spells would come over me and be so bad that I sometimes thought I would be unable to survive them. I have been treated by doctors and have taken numerous preparations but none of them helped me in the least. I finally got a box of Milburn's Heart and Nerve Pills. Before taking them I did not feel able to do any work, but now I can work as well as ever, thanks to one box of your pills. They have made a new man of me, and my advice to any person troubled as I was, is to get a box of Milburn's Heart and Nerve Pills."

Price 50 cts. per box, or 3 for \$1.25, all dealers, or

CHURCH - CHIMES

Why not have a Week of Prayer
by the churches during the Easter
Week?

International Bible Lesson for To-
morrow—Paul's farewell to Ephesus,
Acts 20; 28-38.

Golden Text—Remember the words
of the Lord Jesus how He said "It
is more blessed to give than to re-
ceive."

We have here part of a farewell
address to the officers of a favorite
church where he had for three years
conducted a very successful industrial
mission, supporting himself and co-
laborers by working at his trade as
text maker. Verse 34.

Take heed to yourselves, your
own spiritual life and profession, then
to all the flock the Holy Ghost has
chosen you to feed, (the church of
God redeemed by precious blood)
Wolfish men, even of yourselves will
prey on and plunder the flock, there-
fore watch and remember my warn-
ings and tears night and day for the
past three years. (Paul commends
these spiritual leaders to God, and to
the Word of His grace to be built up
(not puffed up) and to receive the
eternal inheritance amongst the holy
ones. We cannot be built up
and feed the flock and receive a like
reward if we neglect God's word. Like
Samuel the prophet at the close of
his ministry, Paul challenges accusa-
tion, points to his example and to our
Lord's words, (the golden text) which
the spirit had burned into Paul's ex-
perience. With a never-to-be-forget-
ten prayer meeting and sad parting
they accompanied him to the ship,
"meor to see his like again."

THE GROWING WEST.

The influx of population to New
Ontario, Manitoba, the Northwest Ter-
ritories and British Columbia is so
great that the general conference of
the Methodist Church meeting in
Winnipeg in September last, appointed
four superintendents of missions and
a corresponding secretary to have
oversight of the work of placing mis-
sionaries and forming churches. An ur-
gent call has been made for ministers
and a special fund, of \$50,000 is being
raised for the prosecution of this par-
ticular work. Next Sunday in the
two Methodist churches of the city this
important matter is to be presented
by men well acquainted with the
growing west. In Park street Rev.
John McDougall, of Calgary, who
knows the country as few others do,
will preach in the morning, and in the
evening addresses will be given by
Rev. Mr. Long, who has spent twelve
years in the western work, and by
Rev. Dr. Stephenson, of Toronto, the
head of the Forward Movement
among the young people. In Victoria
the morning address will be by
Rev. John McDougall, of Calgary, who
will speak in the morning, and in the
evening Rev. Dr. Stephenson, of Toronto,
the head of the Forward Movement
among the young people. In Victoria
the morning address will be by
Rev. John McDougall, of Calgary, who
will speak in the morning, and in the
evening Rev. Dr. Stephenson, of Toronto,
the head of the Forward Movement
among the young people.

Dr. Pierce's GOLDEN MEDICAL DISCOVERY Restores LOST FLESH AND STRENGTH

"I was a total wreck—could not sleep or eat."
writes Mr. J. C. Beers, of Berryman, Crawford
Co., Mo. "I had tried every medicine from
doctors but received very little benefit. I lost
flesh and strength, was not able to do a good
day's work, commenced taking Dr. Pierce's
Golden Medical Discovery, and when I had
taken one bottle I could sleep and my appetite
was wonderfully improved. I have taken five
bottles and am still improving."

The sole motive for substitution is to
permit the dealer to make the little more
profit paid by the sale of less meritori-
ous medicines. He gains; you lose.
Therefore, accept no substitute for
"Golden Medical Discovery."

Disfiguring and Troublesome
Diseases Result from Im-
pure and Poisoned
Blood.

Paine's Celery Compound

Is the Great Blood Purifier and
System Renovator.

Eczema, salt rheum, scrofula, shin-
gles, ringworm, boils, and a score of other disagreeable
troubles result from sluggish, impure
and poisoned blood. All these com-
mon afflictions cause serious disfigura-
tion to face and complexion and do
not resort to outward treatments or ap-
plications. Common sense and the
experience of your friends will at once
suggest a blood purifier and system
renovator like Paine's Celery Com-
pound. This marvellous medicine soon
multiplies the number of vital red
corpuscles, and fills the arteries with
a health stream that produces clean,
solid flesh, and firm, well-braced
nerves. Mr. M. D. Arthur, of Chelms-
ford, Ont., says:
"I was laid up with sores all over
my face and neck, the result of blood
poisoning. While in that condition I
could not sleep at night, I had no ap-
petite, and could not attend to my
work. I tested the skill of all the
doctors in the district, and used their
medicines, but was not benefited. My
sunt advised me to use Paine's Celery
Compound, and I did so to please her.
I blessed the day I commenced with
the medicine. In two weeks I was so
much better that I could go out, and
in three weeks I was able to resume
work again. I cannot say sufficient
in praise of Paine's Celery Compound;
I would not be without it if I were
obliged to pay ten dollars a bottle
for it."

It's a pity that people who worry
over little things haven't something
big to trouble them.

Word was received here on Satur-

ville, Mich., of the late, daughter
of George Con of the late, daughter
of the deceased young lady was a
victim of consumption, and her sad
demise so early in life has awakened
the sincere sympathy of many old
friends and acquaintances—Blenheim
News.

On Sunday last the Township of
Howard lost one of its pioneer fam-
ers in the death of Mr. E. S. Williams.
The deceased was born in Harwich
Township within five miles of his place
of residence at the time of his death
nearly eighty-one years ago. About
fifty-two years ago he was married to
Catherine McMullen, who with five
grown-up children—three sons and
two daughters—survive him.

It is doubtful if fall wheat ever
appeared more promising in Ontario

does now. There is a good stand,
and every indication of vigor in the
plant. Unfavorable development may
occur later, but the outlook at pres-
ent could not be more promising.
Clover also seems to have come

tion.

GERMANY WANTS HOLLAND.
Sinister Motive Behind Offer to Loan
Troops.

London, April 3.—The German
Emperor in Copenhagen, unlike
Edward VII. in Lisbon, is a
Sovereign dependent upon national
magnanimity for commanding a popu-
lar reception. Britain has been a bul-
wark of defence for Portugal, whereas
Germany has despoiled Denmark of
one-half of her ancient estates and co-
verts what remains. The German Em-
peror has succeeded in overcoming
Danish resentment, and his visit may
help to reduce the popular resistance to
the scheme of a customs union, which
the Berlin Government stands ready to
offer the little monarchy as the price
of admission into the Imperial sys-
tem.

The fatherland's absorption of Den-
mark would be less important to Ger-
many than the incorporation of
Holland, with her valuable col-
onies, for which there is an
organized movement, with a cus-
toms union as a stepping-stone to
the final goal. The German Emperor's
offer to send a strong detachment of
his army across the frontier, for the
protection of the railways and the trans-
it of trade, has warned the Dutch peo-
ple that their powerful neighbor may
take advantage of unsettled labor trou-
bles and occupy Holland and the peo-
ple of restoratory order. They are
asking themselves whether German
soldiers, if once let in, will ever go
out.

The Dutch Prime Minister, Dr. Kuy-
per, is seeking to prolong the truce be-
tween the labor unions and the em-
ployers until he can secure the amend-
ment or withdrawal of the drastic
measures against the workmen's or-
ganizations. The labor crisis has not
yet been averted, and the enactment of
the Government measure, without ma-
terial compromise, may be followed by
a general strike and the entry of Ger-
man forces for the protection of the
railways.

"Saved My Life."

"Lydia E. Pinkham's Vegetable Compound cured me when all
else had failed. I suffered a long time with female troubles."

"Mrs. Pinkham's advice and medicine saved me from a surgi-
cal operation. Doctors said an operation was necessary."

Thousands upon thousands of women throughout this country are not only expressing such sentiments
as the above to their friends, but are writing letters of gratitude containing just such expressions to Mrs.
Pinkham until she has more than a million from women in all classes of society who have been restored
to health by her advice and medicine after all other means had failed.

Women should remember that it is Lydia E. Pinkham's Vegetable Compound that is perform-
ing such remarkable cures, assisted by Mrs. Pinkham's advice.

If you are asked by a druggist to take something else, demand the medicine which you know is best—
the medicine which has made the greatest number of cures—the medicine whose record is unequalled by
any other medicine, exclusively for women, in the world.
