Toronto, July 15, 1958. — We have reached the summer lull in business, which the condition of the crop is a long way of the continuous properties. The condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way to the condition of the crop is a long way the condition of the crop is a long way the condition of the crop is a long way the condition of the crop is a long way the condition of the crop is a long way the condition of the crop is a long way the condition of the crop is a long way the condition of the crop is a long way the condition of the crop is a long way the condition of the crop is a long way the condition of the crop is a long way the condition of the crop is a long way been estimated at 25,000,000 bushlels more than that of 1907, so there is likely to be plenty for the world's requirements during the next cereal year. The visible time that the property of the property of

outside, and Teo to See on Toronto farmers' market.

The U. S. Government report on oats shows a condition of \$5.7 on July list as against \$2.5 a month ago, it last year, against \$2.5 a month ago, it last year, average crop is thus shown for the United States. So far as Canada is concerned a pretty good crop is assured. In Ontario the straw will be short in many places, but with suitable weather, is likely to fill out well. Oats are coming down in price, having lost one cent furning to \$2.0 cm. The price of \$2.0 cm. The pr

THERS.

There is a firmer feeling in bran. Supplies are light; Ontario bran in bags has sold at Montreal during the week at \$19 a ton for ear lots on track there. Some holders are asking \$20 to \$20.50. Bran is quoted here at \$15 to \$16 a ton for car lots in bulk at outside points, or all the properties of the property of the properties of the propertie FEEDS

as prices are too high. Corn is quoted as \$8 to \$8 to in car lotts. Table.

The half AFM AND is changed considerably. Frequents in Radern Ontario and in Quebec come reports of a light crop owing to dry weather. The crop in western Ontario will give a good yield if harvesting conditions continue favorable. Many farmers have stopped hauling out dition of the outlook for the new crop. Prices have now gone as low as they are likely to at this season, and from this on the market may improve. Baled timothy is quoted here at \$850 to 950, and No.2 at \$7 to \$8 in car lots on track, but a guide here at \$850 to \$950, and No.2 at \$7 to \$8 in car lots on track, and all one stream of the market may improve. Baled timothy is quoted here at \$850 to 950, and No.2 at \$7 to \$8 in car lots on track, and all one stream of the price of the second of the control of the second of t car lots on track here.

EGGS AND POULTRY.

EGGS AND POULTRY.
The egg market is a cent or two higher. Though the demand has fallen off
somewhat receipts are lighter and the
market rules firm. There is more inquiry for selects, and they are none too
plentiful. At Montreal selects are quoted
at 15 to 25 in case lots. New Inid are
quoted here at 18 to 28 in case lots, and
28 to 35 a do on Toronto farmers'
market. On the latter market spring
characteristics of the contraction of the
at 15 to 16 and turkeys at 17 to 28 to
15. The contraction of the contraction of the
FRUIT.

Receipts of strawberries are getting smaller and not many more are expected on the market. Raspberries were in light-er supply at the end of the week, and prices were higher at 10 to 10 e. box wholesale. Strawberries are quoted at 50 to 10 c. Chervies are in demand and are higher, though the supply is not small. Eating cherries are quoted at \$1.55 to \$1.50 and red at \$1.5 to \$1.50 and red at \$1.5 to \$1.50 and red at \$5.50 to \$1.50 and red at \$5.50 to \$1.50 and red at \$5.50 to \$1.50 and \$5.50 to \$1.50 and \$5.50 to \$1.50 and \$5.50 to \$1.50 to \$1.50 and \$5.50 to \$1.50 to \$1.5 \$1.10 a bash

DAIRY PRODUCTS.

Cheese exports continue to fall behind and there is little hope of catching up this season. We have reached the period and there is little hope of catching up this season. We have reached the period when the milk supply begins to fall off, and though pastures are good in many and though pastures are good in many the period of the season of the

steady values. Exports of butter so far-show a gratifying increase, a gain of nearly 25,000 boxes over the same period last year. Finest ereamery is selling at last year. Finest ereamery is selling at lb. Dairy butter is even at 25 to 25 of The market here is firm at 25 to 26 for creamery prints; 25 to 25 for sollds; 25 to 25 for choice dairy prints, and its to 25 ca h for tube in a jobbling way. Toronto farmery market. Toronto farmers' market.

WOOL.

WOOL.

The market quotations for wool have not changed any since the season opened. Things are quiet and last week's quotations hold good.

UNION STOCK YARDS HORSE EXCHANGE

EXCHANGE
The trade in horses was a little slack last week, but no more than is usual at this season. Mr. J. Herberts Bmith, manager of the Horse Exchange Union Stock Yards, reports having sold 75 horses last week. One load sold to go east, and another to go to Manitoba. Prices were about as follows: Drafters, \$150 to \$220; and acceptable of \$150, drivers, \$155 to \$250, and acceptable sound horses \$40 to \$50 each.

LIVE STOCK

The slump in cattle prices during the week, came as a thunderclap to some of the drovers, and money was lost all W.F. YOUNG P.A.F. 122 MORMOUTH ST., SPHE. FILE, MASS, round. There is usually a drop in prices Canadian Agents Lyman Som & Co., Montree
