

AYSHIRE NEWS

Farm and Dairy is the recognized exponent of the dairy interests of Canada...

WHICH IS CHAMPION?

When the record made by Eileen, the Ayrshire cow owned by G. D. Mode of Vancouver, Ont., was first announced...

The records of these two cows, however, are not to be compared, as the conditions governing Canadian Record of Performance and the American test are altogether different.

Under such conditions it is impossible to state which cow should be regarded as holding the world's record.

ABOUT MAKING SALES OF AYSHIRES

Mr. Frank A. Wight, of Theford, Ont., R.R. No. 4, writes Farm and Dairy that he has sold to Joseph Storms, Verona, Ont., a fine 184 Ayrshire bull...

It is worth while bearing in mind how satisfactory it is to make sales for pure bred dairy cattle through advertising in the name of the live stock columns of Farm and Dairy.

When one thinks of it, it is really remarkable that a publication such as this at so low a cost as 9c cents for a one-inch advertisement will take one's message to nearly 15,000 buyers.

Aggressive breeders who are in the business for the money they can make out of it take the progressive way of making sales for their best stock.

A GREAT SALE OF AYSHIRES

Heading W. J. Carlyle's herd of Ayrshire is the imported bull, Scotchburn Albert, bred by that famous Scotch breeder, Walter Stewart.

W. J. Carlyle's sale on March 15th affords an opportunity to those who are already in the business to materially increase their stock and to those who are about to enter into the business of breeding pure bred Ayrshires to procure foundation stock that cannot easily be obtained.

Charges of sale giving full particulars will be furnished on application to Mr. W. J. Carlyle, Chesterville, Ont.
