

ONTARIO

"The food wanted by mankind does not exist.
The word 'shortage' is not strong enough.
The whole world is up against a nasty thing, familiar
to the people of India, called 'famine'."

LORD RHONDDA,
Britain's Food Controller.

One year ago, only the enemy was on rations.

To-day, Great Britain, France and Italy are on rations.

**To-day, Germany controls the wheat lands of Roumania,
Russia, Poland and Ukania.**

**To-day, the shadows of hunger, famine, disease and death
hang over the Allies.**

**Upon the 1918 crop from Canada and the United States
depends the fate of the democratic peoples of the world.**

If that crop is sufficient the Allies can be fed.

**If that crop is not sufficient the Allies may have to accept
a German peace.**

We know that farmers have obstacles and difficulties to overcome—but the labour shortage this year is not as great as it was last year. If you need help to produce more food communicate with your District Representative of the Department of Agriculture, or the Public Employment Bureau in Toronto, Hamilton, London or Ottawa.
