

Tried, Tested and Approved
by Canadian Farmers.

This Booklet awaits your address

We want you to have this interesting booklet whether you are thinking about saving milking time or not. Simply send postal card and you get it by return mail without incurring the slightest obligation.

LISTER MILKING MACHINE

Certainly you admit it is worth any man's while to learn how to increase his herd and have more dairy products to sell without extra labor. This booklet tells you how! Farmers pay for the Lister Milker out of extra profits. Simple. Anyone can operate. The Lister reputation is behind it. Also ask about the famous Lister Engine. When writing ask for Booklet A 1.

R. A. LISTER & CO., (Canada) Limited
58-60 Stewart St., Toronto

Which Does Your Wife do — and Deserve?

GIVE her this convenience which you would demand if you had the house work to handle.

Contrast the labour saving implements, tools and equipment you use daily around the barn and in the fields with the necessities she has been denied. This

EMPIRE WATER SYSTEM

will modernize your home and give you city conveniences—running hot or cold water anywhere throughout the house, with a bath and toilet and water in the barn and paddock for the stock.

You need these conveniences to-day when help is scarce and both your wife and yourself are overworked.

Empire Systems are powerful and compact. They are very reasonable in price and made in different sizes to suit the needs of your own farm.

Our free booklet would interest you as it is well illustrated and describes our water systems fully. Write us to-day and we will enclose an Information Blank, for you to fill out. We in return will send you full particulars and the cost of a system suited to the needs of your farm.

This EDDY Pail

is made of indurated fibreware—which is wood pulp—moulded—pressed—baked under terrific heat until it is an all-one-piece-pail of flint-like hardness—strong as steel—lighter than wood. The next time you need a milk pail, a household pail—or a butter tub, ask your dealer for one of Eddy's. No cracks, no corners or crevices, no seams or joints—cannot spring leaks or become dented.
