STRONG, DURABLE IDEAL FENCING

THE LIFE of any wire fence is the life of its smallest wire. The IDEAL is large, (No. 9) hard steel galvanized wire throughout, making it the most durable and the strongest.

THE "IDEAL" improves permanently the property it protects.

Underwear a Farmer Needs

Regular weights won't do for the farmer. He must be warmer clad, because his work about the farm and long drives to town keep him out in the cold so much.

Stanfield's Unshrinkable Underwear

comes in special weights, especially for farmers. Special weights don't mean clumsy, bulky garments. Stanfield's Underwear is so warm because of the peculiar knit of the garments. It's pure Nova Scotia wool, that has been treated to take out the shrink and leave in the softness. We—and your dealer—both guarantee Stanfield's to be unshrinkable.

Pandora Range

Managed Like an Engine.

One-third of a housekeeper's life is spent in her kitchen. One-half the labor of housekeeping is at the cook stove. Your range can double or halve the cooking slavery of housekeeping. A poor range adds worry as well as work, and worry multiplies the housekeeper's care.

Get a range that reduces the work and eliminates the worry. The Pandora Range is as easily and accurately managed as an engine—it responds to the touch as quickly and certainly as the huge engine obeys the hand of the engineer.

The Pandora Range saves worry, and because worry kills, it prolongs life. Sold by enterprising dealers everywhere. Write for booklet.
