

FARMERS, READ THIS

We will pay extra for fat pigs bred from Tamworth and Improved Yorkshire boars, as they are worth more money to us. We have imported a large stock of these pigs, and have on hand a choice selection of imported and home-bred boars and sows. Write us for prices, which are as low as they can be made, this being a business entirely of a secondary consideration with us, our first object being to supply the trade with an A. 1 article in bacon, and we are satisfied that these are the breeds that pay both the feeder and the packer. Send in your orders quick and get a good in-pig sow, or a boar to use on grade sows.

SEE THAT SPRING?

Wind a large steel wire (soft wire won't do) around a broom handle like the stripes on a barber's pole. When you have a long coil, fasten one end, then stretch it tightly. You can't draw out the kinks (see cut above), but it will "give and take" and never sag.
