## HOLLOWAY'S OINTMENT.

CURE OF RHEUMATISM AND RHEUMATIC GOUT.  
Extract of a Letter from Mr. Thomas Brunton, Landlord of the Waterloo Tavern, Cattham, Yorkshire, late of the Life Guards, dated September 28th, 1848.

To Professor Holloway,  
Sir,—For a long time I was a martyr to Rheumatism and Rheumatic Gout, and for ten weeks previous to using your medicines, I was so bad as not to be able to walk. I had tried doctoring and medicines of every kind, but all had failed, indeed I daily got worse, and felt that I must shortly die. From seeing your remedies advertised in the paper I take in, I thought I would give them a trial. I did so. I rubbed the Ointment in as directed, and kept cabbage leaves to the parts thickly spread with it, and took the Pills night and morning. In three weeks I was enabled to walk about for an hour or two in the day with a stick, and in seven weeks I could go any where without one. I am now, by the blessing of God and your medicines, quite well, and have been attending to my business more than seven months, without any symptoms of the return of my old complaint.

Besides my case of Rheumatic Gout, I have lately had proof that your Pills and Ointment will heal any old wound or ulcer, as a married woman, living near me, had a bad leg for four years, which no one could cure, and I gave her some of your Pills and Ointment, which soundly healed it when nothing else would do it. For your information I had the honour to serve my country for twenty-five years in the first regiment of Life Guards, and was eighteen years a corporal. I was two years in the Peninsular War, and was at the Battle of Waterloo. I was discharged with a pension on the 2nd September, 1833. The Commanding Officer at that time was Colonel Lygon, who is now a General. I belonged to the troop of Captain the Honourable Henry Baring.

(Signed) THOMAS BRUNTON

CURE OF A BAD LEG OF TWENTY-ONE YEARS' STANDING.  
Extract of a Letter from Mr. Andrew Black, Blacksmith, Eyemouth, near Berwick, dated the 10th of August 1848.

To Professor Holloway,  
Sir,—With pleasure and gratitude I have to inform you that after suffering for 21 years with a bad leg, which yielded to no kind of treatment, although I consulted, at different times, every medical man of eminence in this part of the country, but all to no purpose. I was frequently unable to work, and the pain and agony I often endured no one can tell. My leg is now as sound as ever, and it was in my life by means of your Pills and Ointment, which I purchased from Mr. J. Davidson, Druggist, Berwick-upon-Tweed, who knows my case well, and will, I am sure, be happy to certify with me, if necessary, as to the truth of this wonderful cure.

(Signed) ANDREW BLACK.

AMPUTATION OF TWO TOES PREVENTED.  
Extract of a Letter from Mr. Oliver Smith Jenkins, dated Falkirk, August 13th, 1848.

To Professor Holloway,  
Sir,—I was superintending, about six months ago, the erection of one of our Railway Bridges, and by the fall of a large stone my right foot was seriously bruised, which ultimately got so bad, that I was advised to go to Edinburgh to consult some of the eminent Surgeons, which I did, and was told that in order to save my foot, two of my toes must be taken off. In despair, I returned home to impart the melancholy news to my wife, intending to submit to the operation. It was then a thought struck me to try your valuable Ointment and Pills, which I did, and was by their means in three weeks enabled to resume my usual occupation, and at this time my toes are perfectly cured.

(Signed) OLIVER SMITH JENKINS.

AN EXTRAORDINARY CURE OF A DESPERATE SKIN DISEASE.  
On the 21st July, 1848, the Editor of the "Morning Post" published in his paper, "We know for a fact, that Holloway's Pills and Ointment act in a most wonderful manner upon the constitution, as an eccentric fool, called Eliza, employed in our Establishment, was afflicted with myriads of Ringworms, which defiled all the Mercat Doctors, and promised to devour the poor man before he was under ground; we perfectly restored to his former condition and cleanliness of skin. The effect was miraculous."

The Pills should be used conjointly with the Ointment in most of the following cases:—  
Bad Legs, Cancers, Scalds, Sore Throats, Sore Eyes, Burns, Contracted and Stiff Joints, Rheumatism, Elephantiasis, Stiff Diseases, Bites of Mosquitoes, Fistulas, Scurvy, Sore Heads, and Sandflies, Gout, Tumours, Cocco-Bay, Glandular swellings, Uicurs, Chiefo-foot, Ingu, Wounds, Chilblains, Lunabago, Yaws, Chapped hands, Itches, Rheumatism, Corns (Soft).

Directions for the guidance of patients are affixed to each Pot and Box.  
Sold at the Establishment of Professor Holloway, 224 Strand, London, and by most respectable Druggists and Dealers in Medicine throughout the civilized world. TO THE PUBLIC.  
An Effectual and Never-failing Cure for Erysipelas.

THE SUBSCRIBER has for some time prepared a medicine for the cure of Erysipelas, and Eruptions on the Skin, which has not only immediately relieved all who have used it, but effectually cured them. She is desirous that those who are afflicted with what, in many cases of that disease, is considered incurable, and that all who are suffering from its attack, may have the benefit of the WONDERFUL POWER OF HER MEDICINE, and removing all diseases of ERYSIPELAS OF THE SKIN.

It may be procured from any of the following AGENTS:  
John Naylor, Esq., Halifax.  
Andrew Henderson, Esq., Annapolis.  
Daniel More, Esq., Kentville.  
William H. Troop, Esq., Wolfville.  
Edgar Samuel McGowan, Barrington.  
T. R. Paulin, Esq., Liverpool.

CERTIFICATES  
Of persons who were suffering from severe attacks of Erysipelas, who had tried the many remedies which are usually prescribed from which they found no relief; but by applying Mrs. BERTALX'S MEDICINE were effectually cured.

This is to certify, that I have been afflicted with the Erysipelas, or Salt Rheum, as the Doctors call it, for ten years. My hands were frequently so diseased, that I could make no use of them. I employed several physicians, but to no purpose as my suffering only increased. I applied Mrs. BERTALX'S MEDICINE for a short time, and was soon cured of every vestige of the disease. The greatfulness which I felt, on the long and painful disease being removed, was much more than tongue can express. And three years from the time when I used the Medicine, was threatened with a relapse or return of the disease. I applied the Medicine and the disease disappeared. From that time to the present, I am perfectly free from all symptoms of Erysipelas or Salt Rheum. I therefore heartily recommend it to all who are similarly afflicted, as a speedy and effectual remedy.

ANN S. WHELOCK, Nictaux.

August 5, 1847.  
This is to certify that my wife was attacked with Erysipelas in the face. I had used Mrs. BERTALX'S MEDICINE, and the first application stopped its progress; and, continuing to use the medicine, in less than a week my wife was quite well.  
May 1st, 1848. ELIAS GRIMES, Wilmut.

Wilmut, May 15, 1850.  
This is to certify that my son was severely afflicted with the Erysipelas in his leg last summer, so badly that he scarcely slept for five successive nights. I then procured some of Mrs. BERTALX'S MEDICINE, and applied it, and in the course of one week, the boy was well, and I verily believe I had not used the above Medicine that he would have lost his life.  
WILLIAM GORDON.

Sworn before me, THOMAS C. WHELOCK, Esq., May 16, 1850.

Annapolis, January 3rd, 1851.  
This is to certify that my daughter about a year ago had a very severe attack of Erysipelas in her head and face, so much so that there was left no hope of her. Medical aid was called, but the worst was that all was over as the dreadful disease had overspread the brain, and she was raving distracted. In this extremity I had accidentally read of Mrs. BERTALX'S MEDICINE. I went and of a small phial, and proceeded to apply it as directed; and almost instantaneously the disease was arrested from further progress, and in a few days, the swelling was gone, and her natural colour returned, and she is now as well and well as ever.

INTENDING EMIGRANTS FROM NOVA SCOTIA.  
THE CANADA COMPANY would suggest to parties who may contemplate leaving Nova Scotia that the Western Section of Canada offers every inducement for them to settle there, rather than that they should proceed to the United States. In Upper Canada they will find a most healthy climate, and abundance of excellent land to be obtained upon easy terms from the Government and Canada Company. The great success which has attended Settlers in Upper Canada is abundantly evidenced by the prosperous condition of the Farmers throughout the Country;—by the success of many Natives of New Brunswick and Nova Scotia who have settled in many Townships;—and by the individual progress made by several thousands of people who have taken Lands from the Company. The Canada Company's Lands are offered by way of Lease for Ten Years; or for Sale Cash down. The plan of 15th Cash and Balance in Installments, being five annuities.

The Rents, payable 1st February each year, are about the interest at six per Cent., upon the Cash Price of the Land. Upon most of the Lands, when leased, no Money is required down; whilst upon the others, according to the value, One, Two, or Three Years' Rent must be paid in advance; but these payments will free the Settler from further Calls, until the Second, Third or Fourth year of his Term of Lease.

The Settler has secured to him the right of converting his Lease into a Freehold, and of course, stopping payments of further Rents, before the expiration of the Term, upon paying the purchase Money specified in the Lease.

The Lessee has thus guaranteed to him the entire benefit of his Improvement and increased value of the Land, should he wish to purchase. But he may, if he pleases, refuse to call for the Freehold; the option being completely with the Settler.

A Discount of Two per Cent. will be allowed for anticipated payment of the purchase Money for every year of the year of Lease, before entering the Tenth Year. The Lessee has also secured to him the benefit of the Settler's Savings-Bank Account.

The direct trade now opening up between Upper Canada and Halifax presents facilities for cheap passage by the St. Lawrence to the upper Lakes, in the vicinity of a valuable land, open for settlers.

Printed Papers containing full and detailed particulars, may be procured gratis from the Rev. E. Evans, Halifax, or those persons in the Company avail themselves to refer inquiring parties to him, as a gentleman long resident in Western Canada, and who will afford information respecting the Company's Lands, and upon Canada generally.

Commissioners of the Canada Company's Office, Toronto, C. W., April 5, 1851.

THIS Institution has been opened and in successful operation upwards of eight years. The manner in which it was founded and established, the principles enunciated at its opening as those upon which it should be conducted, and the arrangements which were made for carrying out its designs in all its departments, in both school and family, were such as to secure for it, from its very commencement, a very high place in the public estimation. And the Committee of Management and Board of Trustees, upon whom the direction of its affairs has devolved, have been encouraged and stimulated by its prosperity to continued efforts to render it ever increasingly efficient. Every year in its history has been marked by important additions to its educational facilities, and by more or less extensive general improvements throughout the establishment. The attention of young men seeking an education, and of Parents and Guardians of Youth, is, therefore, cordially invited to it as an Institution, at least, equal in every respect, for the purposes for which it was founded, to any in British America.

The next Term will begin on Thursday, the 7th August, and continuing nineteen weeks, end on Wednesday, the 17th December.

FOR THE CURE OF  
Coughs, Colds, Hoarseness, Spitting  
of Blood, Night Sweats, Asthma,  
Liver Complaints, and  
CONSUMPTION.

DO NOT NEGLECT IT.  
CONSUMPTION.

Can and has been cured in thousands of cases by JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT, and no remedy has ever before been discovered that will certainly CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless, as to have been pronounced by Physicians and Friends, to be past all possibility of recovery, have been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medications which are peculiarly adapted to and essentially necessary for the cure of COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and thus, after the prescriptions of the very best medical men and the inventions of kind and sorrowing friends and Nurses, have failed to give the smallest relief to the Consumptive sufferer.

## THOUSANDS OF CONSUMPTIVE

persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have only proved palliatives, but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of blood, coughs, pain in the side, night sweats, &c. &c.

About 1000 certificates of almost miraculous cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like quackery, (will show them to any person, calling at our office.) This medicine will speak for itself and enough in its own favour wherever it is tried.

CAUTION.—This medicine is put up in a large bottle, and the name of Judson & Co., Proprietors, New York on the splendid Wrapper around the Bottle. All orders must be addressed to Comstock & Brother, No. 9 John Street, New York.  
Sold wholesale for the Proprietor in Nova Scotia at Morton's Medical Warehouse, Halifax; in Windsor by Mrs. Wiley; in Dartmouth by D. Parrell, and by one agent in every town in N. S. and N. B.

## A PEEP AT UNCLE SAM'S FARM, WORKSHOP, FISHERIES, &amp;c.

BY P. TOCQUE.

Illustrated with Engravings; price 5s., dedicated by permission to His Excellency Sir John Gaspar Le Marchant Governor of Newfoundland.

Opinions of the Press.  
Mr. Tocque is a "Newfoundlander" but knows more of us Yankees than most of us know of ourselves. His book is quite remarkable, it is full of information, and the very information needed to afford a just estimate of the country. Its statistics are abundant, but they are woven into sketches, personal and general, in such a manner as to relieve them of dullness. It treats of our manufactures, shipping, navy, public men, slavery, religion, and we know not what it omits. It ought to be a reliable volume.—Boston, Zions Herald, May 20th.

"Such is the quaint title of a most droll volume which we find upon our table. It is just what it professes to be, a peep at the Massachusetts corner of Uncle Sam's great homestead by a citizen of Newfoundland. Mr. Tocque appears to have travelled with his eyes open, and between the covers of his book the reader can find a large amount of valuable and entertaining reading matter."  
Daily Spy, May 20th.
