WE have just opened in the Store lately occupied by C. R. THOMPSON, No. 16 Granville Street, door South of the LONDON HOUSE, a splendid Stock of

The greater part of which have been MANUFACTURED BY OURSELVES,

all the attention of the public, to some of the advantages we possess. FIRST—We make our Staple Goods by HAND at the INDUSTRIAL SCHOOL, and are thus able produce a much better article than those made by Machinery.

SECONDLY—By making our Goods and selling them ourselves, you get them first hand, hence you have only to pay for the material and one small profit. THIRDLY-As you buy from the maker his responsibility to you is greater than if he had purchas ed the goods of another and was selling them again.

If the style and size of the boots does not suit, you can have them made at at trifling additional cost We sell for CASH and cash only to heep strictly to this we cannot send out for approval, all parcels being paid for before they are sent.

Should they not suit we will return the money: Consequently the cash buyer is not compelled to pay those bills that are lest as the result of the CREDIT SYSTEM. These with many other advantages we could mention, warrant us we think in reasserting that we can give better value than any house in the trade.

COUNTRY MERCHANTS who buy in small lots for Cash, would do well to give us a call before purchasing elsewhere.
