Our New Sunday-School Paper.

At the request of the Sunday-School Committee of the three Western Conferences At the request of the cannay-centor Committee of the interest weekers Conferences, a new Sunday-School paper is being prepared, to be issued on alternate weeks with "PLEASANT HOURS," so that Schools may have a paper for every Sunday in the year. It will be the same size and price as "PLEASANT HOURS," and in every respect its equal, it not its superior. The paper will be named

" MOME AND SCHOOL."

and its object will be to make home happy, and the Sunday-School more than ever a grand encoses. It will be, it is confidently anticusted, the handsomest paper over issued in the Dominion. It is determined to greatly improve the character also of "PLEASART HOURS," using better paper, better ink, and better engravings, in that these two papers may sery competition, and prove themselves the best papers in the world for our Sunday-Schools.

While seeking to combine all the accellenties of "PLEASART HOURS," Houts AND SCHOOL" will also have special features of its own. Great prominence will be given to the subject of Christian missions, especially those of our own Church, both in Japan and among the Indian tribos of the North-west and the Pacific coast. Special attention shall also be given to Temperance, and a series of hoye and girls' temperance lessons, will be a feature of much importance. Special prominence will also be given to the Sunday-school lessons; and Lesson Notes different from those given in either "PLEASART HOURS" of "SUMBRAM," will be given for every Sunday in the year.

Houns of Buttanant, will be given for every Sunday in the year.

A specimen copy is being prepared as fast as possible, and will be mailed to all our schools as soon as randy. We hope to receive very large orders for this new paper. It is only a large circulation which can prevent it being a loss at the low subscription price:
